EASTON IS IN SHAPE AGAIN.

turned over to an illegally elected board of directors, which still continues to exercise the duties and privileges of a board of directors.

These papers it was the intention to bring to the attention of the court this morning, but later in the day it was reported that successful efforts had been made to settle the differences of the stockholders.

Mr. Martin said yesterday that the new board of directors was the result of a desire on the part of President St. John to get a board of directors capable of handling the club which has not given entire satisfaction to all of the stockholders since the season opened.

It will engage Scranton in a game this afternoon.

The Easton Base Ball club has reorganized, and a dispatch received in this city yesterday from H. H. Diddlebrook notified the Scranton club to report at Easton this afternoon for a game, and to take Larry Ketricik along to umpire the game.

The club did not return to this city from Allentown and will proceed to Easton today. Hodson will pitch. Finlayson and Doran returned to the city yesterday afternoon from Allentown as their services will not be needed today. Doran has been unwell since he went away on the trip.

OUR WHEELMEN WON.

Whites Finish Second and Gregory Third at the Osceola Meet.

The New York state circuit meet of the League of American Wheelmen at Oneonta Thursday was interesting to Scrantonians because of the participation in it of two Green Ridge wheelmen who are well known because of their expert riding. One of these was K. V. White, who came in second in the half-mile novice; time, 1:21 4/5; and the other was R. A. Grezvor, the champion of five counties, with a record of 2:27, who finished third in a two-mile handicap; time, 5:39.

White's prize was a handsome pair of gold cuff buttons and Gregory's a beautiful solid silver water pitcher. Gregory's failure to come in better was due to the fact that in the handicap he rode faster than he were given an advantage in the start.

CLINTS FROM THE DIAMOND.

The Wilkes-Barre club objects to the appointment of "clints" which the papers in the Eastern league cities apply to it.

Little Poston Hard to Peel challenge any ball club under 12 years of age. F. Huntman, captain. Answer through The Tribune.

The St. Thomas College club will play a league game with the club from No. 26 school at 10 o'clock this morning on the James Boyd grounds.

Scranton claims to have an offer of \$1,000 for Higgins, their center fielder. Higgins is early a prize for any team if he is able to continue his good work in factor company. He has excellent judgment in picking out good balls and then hitting them hard, while there is no question of the fact that he is a strong outfielder and covers lots of ground.—Wilkes-Barre Record.

The Young Men's Christian Association and the Young Men's Christian Association teams will cross bats today at the Base Ball Grounds. Game called at 4 o'clock. The players for the seniority will be Gendell, B. Condit, D. B. Derric, C. Finn, S. C. Gordon, D. McCarthy, P. Doran, H. Byrnes, H. Doran, C. The Young Men's Christian Association team is Mylott, Hoffman, Bittenbender, Strydom, Davis, Brooks, Owens, Allen, Gillier, Jones, Wins, Pomeroy. Both clubs are among the strongest in the state and a good game will be witnessed. Ladies will be admitted free. A base ball supper will be served at the Young Men's Christian Association in the evening for 25 cents, proceeds to go toward getting new suits for the team. The Young Men's Christian Association team will play the winning team a return game next Wednesday in Kingston.

FOR THE BICYCLE RIDERS.

The Scranton Bicycle club and West End club, of Wilkes-Barre, believing that harmony means success, have combined their efforts to promote interest and attract wheelmen to their two great meets, and are working together for mutual benefit, virtually consolidating the two events. Wilkes-Barre will do the honors on July 2 and 3, and the widespread hospitality that Scranton enjoys will be experienced on the glorious Fourth. As Wilkes-Barre holds the state meet, clubs from all over will participate and spend the Fourth at Scranton. In fact several prominent clubs have made known their intention to do this and arrangements are being made for their entertainment. The championship contest has been decided between the two cities, Wilkes-Barre securing the quarter and half mile events and Scranton the one mile. The interval will indeed be a gala day for cyclists and all who have not forgotten the last state meet will recollect what an enjoyable time was had.

Interest in the approaching tournament of the Scranton Bicycle club, to be held at the Scranton track on July 4, continues unabated. This will be the twelfth annual meet of the Scranton club, which is one of the most popular organizations in the city. Since its formation in 1872, it has been foremost among those societies that take pride in the progress of the Electric City. The club's handsome house on Washington avenue is a guarantee of what the institution will do in its years of growing success. The coming tournament will attract to the city some of the best known knights of the wheel in the country, and Scranton will be highlighted in the matter of records, either. Every evening the park is crowded with members of the Green Ridge and Scranton clubs, who practice with the hope of making their mark on July 4. The club will be happy to have a credit to the city by winning one of more of the chief prizes, which are diamonds. Another feature of the meet will be the performance of George Taylor, who is looked upon by many well known wheelmen as a reliable champion. He will ride a mile with pace makers for a track record of 2:12 or under and a special prize is offered in this case of a one hundred dollar diamond.

SPORTS OF ALL KINDS.

P. C. Connolly, of Greenwood, has purchased a new trotting mare of Hand-tan bred with a record of 2:15 1/2. She will be shipped to the Fleetwood park, New York, and entered in the coming summer races.

The Minooka Sporting club has about twenty new members to their club, which makes them about fifty strong. The race between James Taylor, of Easton, and George Taylor, of Minooka, and McLoughlin, of Taylor, will take place on July 4, at the Driving park, for \$100 a side.

The annual field day sports of the Excelsior Athletic club of this city will take place on Aug. 15 in Central Park garden unless it should be heretofore decided to abandon the field day exercises this year and run an excursion to New York city instead.

A rowing club has been organized by a number of young men of Greenwood. George Donah has been elected captain, Dave Lovring is leading oarsman and Fred Hollenbeck is boat inspector. The club is making preparations to hold a regatta season. A new 75-foot shell has been ordered for the crew.

The Wyandotta Gun club, of Bethlehem, and the John F. Weiser Gun club, of Allentown, have been in conference with reference to stocking Lehigh and Northampton counties with English pheasants. It was decided to proceed and to invite the cooperation of the gentlemen in Easton, Hazleton, of Taylor, will take place on July 4, at the Driving park, for \$100 a side.

OLD PEOPLE OF 30

Streets of Scranton Show Many Examples.

Aged Faces, Nervous Movements of Young Women.

The Driving Pace of Work and Pleasure.

Revival of the Old Ideal of Health and Strength.

Vigor That Comes from the Proper Course.

Young folks must have strength, above everything.

This good, old-fashioned belief is taking an hold.

It is no longer fashionable even for "judes" and "cavells" to be pale, thin, sickly. Among young ladies, too, the languor and nervous timidity, at one time thought "interesting," has given place to a desire of ruddy cheeks, strength of body, a firm, transparent skin, and clear, well opened eyes.

Young men and young women in Scranton are taking Paine's celery compound.

Parents recommend it from long experience; physicians prescribe it where purer blood and stronger nerves are urgently needed.

Growing girls, colorless, bloodless, nervous, thin, find a quick gain in weight, clearness of skin, and strength.

Tired, weak, sickly women, who look like hospital phantoms, get rid of distressing nervousness, neuralgia, rheumatism, and "fagged out" feelings by taking this marvelous blood and nerve remedy in the early summer.

Dyspepsia should now take courage. The achievements of modern medical science have placed new and wonderful resources in the hands of medical men and replaced the necessity for drugs. Paine's celery compound makes pure, sturdy blood that reaches every tiny muscle and nerve-fiber in the body, and builds up strong, healthy tissues and drives out diseases from heart, kidneys and stomach.

A tired woman get strength from Paine's celery compound.

Business men, brain workers, and constant in-door dwellers secure increased appetite and a more complete digestion and assimilation from this great strengthener and invigorator.

Paine's celery compound means a return to sound health, a lifting out of the thin body with firm flesh, bright eyes, red, pure blood, and quiet, healthy nerves to thousands of anxious sickly men and women, who are plating losing strength and hope every day.

Paine's celery compound cures diseases of the nerves and blood and the worst disorders of the liver, kidneys, and stomach, cures everything else fails. Paine's celery compound is the best better than a vacation in June—and both are good.

As True as Gospel. Washington Post.

The best type of American citizenship is found in the man who respects and obeys the law.

THE EARLIER symptoms of dyspepsia, such as distress after eating, heartburn, nervous indigestion, in the evening, are neglected. Take Hood's Sarraparilla if you wish to be cured.

HOOD'S PILLS cure liver ills, biliousness, jaundice, indigestion, sick headache.

HATE used Dr. Thomas' Electric Oil for cramp and colds, and declare it a positive cure for rheumatism, sprains, neuralgia, toothache, headache, and all other ailments. 570 Plymouth avenue, Buffalo, N. Y.

Two Lives Saved. Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Rogers, 139 Fourth St., says he suffered from a dreadful cold, approaching Consumption, but without result, everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He naturally says, "I will tell you of what these are examples, that prove the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at Matthews Bros., Drug store. Regular size 50c. and 81c."

Special Notices. TO WHOM IT MAY CONCERN—ALL persons are warned that H. L. Morgan, who has been selling lots in what is commonly called the "Swedish Land" in Hyde Park, has been relieved of his office and authority to sell any land from May 31, 1894. TO WHOM IT MAY CONCERN: AS ALL the available lots on the Swedish land, commonly known as "Hammon Hill," have been sold, I cannot afford to give any more valuable information. Robert Peterson's property. H. L. MORGAN.

BLANK BOOKS, PAMPHLETS, MAPS, Lists, evening Gatherings, Glimmers and Winnows of the Scranton club and White of the Green Ridge club were out with their trainers and made very creditable spurs. Some one of them will be a credit to the city by winning one of more of the chief prizes, which are diamonds. Another feature of the meet will be the performance of George Taylor, who is looked upon by many well known wheelmen as a reliable champion. He will ride a mile with pace makers for a track record of 2:12 or under and a special prize is offered in this case of a one hundred dollar diamond.
