A CASH CAMPAIGN
THE POWER OF MONEY

The great Knavish Fair we are now conducting will be the first Chapter in our campaign of exposing this profit and earnings. It is a most important chapter, one that will help us make the point that the money we earn will be used to pay for the things we need. We have made arrangements with our local banks to run these large advertisements that will be seen in all the newspapers. It will be a great opportunity to reach a large number of people and show them the power of money.

LISTEN TO THIS!

In some countries, banks will be open on Saturday instead of Sunday. In our area, the banks will be open on Saturday.
