NOW

ELECTION

TO PHARMACY IN THE TOWNSHIP.

The first annual election for the Township Board of Supervisors for Township No. 2, Cape May County, will be held in Governor's Tavern, this town, on Tuesday, 20th inst., at 11 o'clock A.M.

It is respectfully advertised to all the citizens of said Township or others who may be interested in said election, that the said election will be held in accordance with the provisions of the Act of Assembly, passed May 10, 1838, entitled "An Act regulating the Holding andVesSELs BUILT IN SECTIONS

TWO SHIPS,ibuuilt for Operation on Lake Superior, 43 feet 6 inches long. One 21'6", the other 22'6". Length over all 43'6". Built by the Lake Superior Iron Works, Houghton, Mich., at a cost of $30,000. They will be ready for sea by the end of the month.

A well-known shipping firm in the Lake region, which is engaged in the transportation of iron ore from the Lake Superior district, has been forced to suspend operations due to severe weather conditions and a shortage of crew members. The company is now in the process of organizing a new crew and re-evaluating its operations to ensure the safety of its ships and crew members.

CAMPUS CLIMAX

STAGED IN WILSON

Manager Sander, President, Tobacco Products Association Celebrates Success.

The world's largest Contemporary Tobacco Products Association is held in Wilson, North Carolina, this week, with thousands of exhibitors and attendees gathering to discuss the latest trends and developments in the industry. The association is known for its commitment to promoting the health benefits of smoking and has been in operation for over 50 years.

Olive J. Sander, Executive Manager of the Tobacco Products Association, shared the remarkable growth and progress made by the organization since its inception. "We are proud to celebrate our success and look forward to continuing our efforts to promote the benefits of smoking and the health of our constituents," said Sander.

The gathering included a variety of events, including panel discussions, workshops, and a trade show featuring the latest products and innovations in the tobacco industry. Attendees had the opportunity to network with industry leaders and learn about the latest research and developments in the field.

BELONGED TO FAMOUS MAN

An historic chair which was first used by Abraham Lincoln, the 16th president of the United States, in 1860, is on display for the first time in the city of Raleigh, North Carolina. The chair was loaned to the North Carolina Historical Society by a private collector and is being displayed as part of an exhibition celebrating the 150th anniversary of the United States.

Lincoln, who served two terms as president, used the chair while he was a member of the House of Representatives and later as a Senator. The chair is made of cherrywood and features a carved floral design on the backrest. It is estimated to be worth over $100,000.

To Honor Noted President

On Friday, May 10, 2002, the North Carolina Historical Society will honor President Abraham Lincoln on the occasion of his 150th anniversary. The society will host a special event, including a lecture by a leading historian, a screening of a documentary film about Lincoln, and a discussion panel featuring experts on Lincoln's life and legacy.
