

Vacation Days

In this day and time everyone should arrange to take a vacation. Go somewhere for the recreation which he enjoys the most.

A trip to the seaside—the mountains or the springs—is just what you need and what you will thoroughly enjoy.

Of course it is understood that you must be shod with light shoes that fit the feet; and which have that nifty, stylish look about them we all admire so much.

Our selection of stylish shoes for summer is extremely gratifying to us; and we will be delighted to show them.

BAR ASSOCIATION MET YESTERDAY AFTERNOON

WENT OVER CASES TO BE TRIED AT APPROACHING TERM CIVIL COURT.

MEET AGAIN FRIDAY

Committee Appointed to Arrange Entertainment for T. S. Sease, Presiding Judge.

The Anderson Bar association held a meeting yesterday afternoon in the county court room and the cases which will come for trial at the approaching term of civil court were gone over. However, the roster was not arranged because of the absence of several attorneys who are out of town attending to business. Another meeting will be held on next Friday afternoon at 4:30 at which time the roster will be arranged.

Mr. Samuel L. Prince stated yesterday afternoon that at the meeting held yesterday it was decided to give an entertainment for the presiding judge, Hon. T. S. Sease, during his stay here. These entertainments have almost become a custom and always looked forward to with much interest. They are always pleasant occasions and bring the members of the bar and the judges into close touch and in this way much benefit is derived.

A committee consisting of Messrs. T. Frank Watkins, L. L. Rice and T. P. Dickson was appointed to arrange for this entertainment.
