CONTRACT IS LET FOR BEAUTIFUL RESIDENCE

MRS. N. B. SULLIVAN TO BUILD ON SOUTH MAIN

WILL COST \$10,000

Casey & Fant of This City Are Architects and J. L. Hembree Has Building Contract.

The contract for the erection of the residence for Mrs. N. B. Sullivan was let yesterday to Mr. J. L. Hembree for approximately \$10,000. Casey and Fant of this city are the architects.

The residence will be erected on South Main street, opposite the beautiful homes of Messrs. C. S. and W. W. Sullivan. With the completion of this home another beautiful building will have been added to the magnificent group of homes that make this section of the city so attractive.

The plans call for a residence that might be said to be of the Italian villa style, with wide projecting paneled eaves, and wide cool porches. The residence will be veneered with tapestry brick, with stone trimmings, Spanish tile roof and tiled porch floors.

Work will be started on the contract at once, under the supervision of the architects.

GREAT CONVENTION TO BE HELD SPARTANBURG

WESLEY BIBLE CLASSES OF SOUTH CAROLINA IN ASSEMBLY

GREAT MANY HERE

Are Expected to Attend on Special Train Which Will be Run From This City.

The convention of the Wesley Bible Class Federation of the South Carolina Conference will be held in Spartanburg on the 19th, 20th and 21st, of this month and will in all probability be the largest religious gathering ever held in this State.

Members of the various Sunday school classes of Methodist churches throughout South Carolina will gather there to the number of upward of 2,000.

Excursion Trains. Special excursion trains will be operated from Anderson and Greenwood over the Piedmont & Northern railway and from Charleston and other points in the lower section of the State over the Southern railway. These will carry in large throngs of visitors, arriving in Spartanburg Tuesday morning in time to attend the morning sessions of the convention. Besides these special trains, low round trip rates will be available from all points in South Carolina.

Tuesday, the 20th, will be the big day of the convention. Meetings will be held morning, afternoon and night and at 6 o'clock in the afternoon a grand parade, composed of men and women, members of the various classes, will march through the streets of the city.

St. John's Methodist Sunday school of this city is planning to have a delegation of 400 or 500 people from this city attend if possible. A special train will be chartered to leave Anderson early in the morning on July 20, and will return the same day. It will be necessary to have 100 people to have the train but it is thought that there will be no trouble along this line. An extremely low rate of \$1 will be made.

GREAT MEETING IS CONDUCTED AT IVA

ENTHUSIASM CAN BE COMPARED WITH THAT HERE

LARGE CROWDS

Are Attending and Several Score Have Been Converted—Rev. J. L. Harley Preaching.

A revival meeting, not near so large but seemingly about as thorough in its hold upon the people as the one recently held in Anderson, is being conducted in Iva, and on Sunday night fully 1,500 people were present. Rev. J. L. Harley of Spartanburg is assisting the pastor of the Iva Methodist churches, Rev. J. L. Singleton.

The meeting has been in progress for the past ten days and will likely run on until Thursday night. Already there have been several score of conversions and 15 members have been added to the various church rolls there. The enthusiasm in the meeting can be compared to that recently in Anderson during the McLendon meeting and the large tent under which the preaching is done, is not near large enough to accommodate the crowds. Two services are held daily, one in the afternoon and one at night.

Mr. J. C. Bewlington of Spartanburg is leading the choir and has succeeded in organizing a large number of trained voices which adds much to the meeting.

Dear Readers: If you give me the pleasure of a visit you will be pleasantly surprised and gratified to find how much better I am now able to attend to your optical wants. This optical establishment is just a little ahead of this city and in keeping with those to be found in larger cities. There is no cause for you to leave Anderson when you desire the service of a skilled optometrist whose facilities and equipment cannot be excelled anywhere.

It is an added pleasure for me to tell you that I have a modern lens grinding shop in connection with my optical while you wait, if you will bring me the broken pieces, while you wait, if you will bring me the broken pieces, I am able to get out prescription work the same day it is received. This eliminates the delay and annoyance of waiting while your prescription is sent out of town.

All the work, from the examination of the eye to the finished lenses and fitting of glasses is done under my personal supervision. Knowing that the work is right, I do not hesitate to guarantee satisfaction.

Bear me in mind please when I can be of further service to you.

Yours very truly,
Dr. M. R. CAMPBELL,

THE SOUTH CAROLINA SPOONS HAVE ARRIVED

Alabama Spoons Are on Sale This Week—Georgia on Sale Next.

The South Carolina Souvenir spoons have arrived. They arrived yesterday morning at about eleven o'clock, and it was noised about town soon afterwards, and the people began calling for them soon after dinner. They are enough now to go around; so those who want South Carolina Souvenir Spoons can bring their coupons to the office and get them.

The fad of collecting these State Seal Souvenir spoons certainly has taken a firm hold on this town and county. Some are buying only one of each state spoon as it is put on sale, while others are buying sets of six of each state as they are put on sale each week.

Several ladies who bought Alabama spoons yesterday remarked that they were undoubtedly the handsomest yet put out. The Georgia Spoons will go on sale next week.

MISS BESSIE SHIRLEY APPOINTED PRESIDENT

Rural School Improvement Association in Anderson County—Is a Great Work.

Miss Bessie Shirley of Anderson has been appointed president of the rural school improvement association in Anderson county, the appointment having been made by Miss Mary Eva Hite, state president. The office has no salary connected with it.

So many rural school improvement associations have been organized in this county that it leads the state along this line. The purpose of these organizations is to help build new school houses, raise money for new furnishings, and in general to look after and forward the purpose of the schools as much as possible.

Several entertainments are generally given during the school months and money is raised with which to buy furniture, etc. Miss Maggie Garlington, former rural school supervisor of this county, had charge of this work before her resignation became effective.
