HEROES OF MAINE REMEMBERED MONDAY

Flowers Placed Over Their Snow Covered Graves—Sixteen Years Ago

Washington, Feb. 15—Homage to the men of the battleship Maine, who lost their lives in the epoch-making catastrophe in Havana Harbor, sixteen years ago, was paid today by the navy and high officers of nation at Arlington National cemetery. Snow covered mounds over the sleeping warriors were decorated with floral tributes and a staunch little vessel ploughed through the ice floes of the Potomac to strew sprigs of evergreen on the water. Over the graves a detachment of blue-jackets fired their rifles and a national anthem, and a bugler sounded "taps."

ing it impossible to carry out the full program arranged for the occasion at the cemetery. Hundreds had braved the freezing blasts, however, to participate in the ceremonies at the graves. Orations were delivered. President Wilson, confined by his numerous orders to the White House, sent a beautiful floral tribute. President Menocal of Cuba, cabined an expression of the reverence of his government for the dead of the Maine. His message expressed deep regret that he could not participate in the services, and added: "But my mind will be with you all, for I have to mourn with you, for the brave officers and sailors of the Maine."
