H. J. STINGER
Republican Candidate for State Representative, 49th District, North Dakota.

L. B. Hanna for Governor of North Dakota.

It is our privilege to have known Hon. L. B. Hanna for a long number of years. Throughout that time our regard and respect for him, for his worth as a man, a man of action, of thoughtfulness, of devotion to duty, of legislative and executive ability of highest rank, has increased

from year to year. His official acts—and he has been in the lime light of public scrutiny for over 20 years,—will bear us out in the assertion that make him easily the states first citizen.

We know that the best of men in coming before the public must suffer assault from libelists and muckrakers. Pay no attention to the flimsy web of argument presented by his opponent. If you want honest and yet energetic and impartial service in the government's office, oh ye North Dakotans make L. B. Hanna your first choice.

There were quite a few people in these parts who in dealings with one or another of the departments at Washington have learned they have a sincere friend and servant of the people in Mr. Hanna. Many have learned that he lives in every day official life the precept that actuates him: A public official is the public's servant.

Messrs. Oscar C. Olsen, Ray J. Murphy and E. Dickenson made an auto trip to Faith this week, returning Wednesday evening. The crop outlook along their route is reported by them the best ever, and they brought back samples of grain from Faith which they had gathered at Ec Gravey's place which surely would indicate fine prospects. There was flax 18 inches high and ready to bloom, macaroni wheat of spring seeding that is heading out, and corn a foot high. That is some record for June, and if everybody else between Lemmon and Faith shows up similarly, there will be other people that will find farming a good thing—besides the valiant ex-chief of police of Lemmon.

Owing to the absence of the pastor there will be no preaching service at the Presbyterian church, Sunday morning. The Sunday school will meet at the usual hour. In the evening there will be a union meeting at 8 o'clock. The famous temperance orator, Hector, will speak. A collection will be taken. A cordial invitation is extended to all.

Lemmon friends have advices from Rev. W. D. Williams to the effect that he is now at Holy Cross hospital, Salt Lake City, recuperating from attacks of rupture and appendicitis, and operations attendant. He is now located at Malad City, Idaho.

HENRY M. SKARIE

Republican Candidate for Clerk of Courts of Adams Co., N. D.

Has been a resident of North Dakota since the spring of 1907. Filed on his homestead, Sec. 19-130-95 in the fall of 1907, and has resided upon and improved the same since the spring of 1908.

His former business experience has been as follows: Twelve years, commercial traveler. Four years salesman general store. One year buyer, dry goods store. One year assistant in clerk of court office, Winnebago county, Ia. His past experience qualifies him for the office he seeks.

Your vote and support is respectfully solicited.

JACOB L. HJORT

of Reeder, Republican candidate for Representative for the 49th Legislative District of the State of North Dakota, comprising Adams and Hettinger Counties, at the Primaries to be held June 26th, 1912.

In Mr. Hjort's case, it may be truly said that the office seeks the man, for it was only after the most urgent request of both farmers and business men from all parts of the district that Mr. Hjort, who is an exceedingly busy man, could be prevailed upon to become a candidate for the office. It means a great sacrifice that he makes and no one realizes this more fully than his associates of the Farmers-Elevator Company of Reeder, of which organization he is the Secretary-Treasurer, and the First National Bank in which he is actively engaged. If nominated and elected to the office, the 49th district will receive the full strength of his untiring energies in promoting its interests first, last and all the time.

Mr. Hjort came to Adams county in April 1907; to prove up a homestead in Township 129, range 98 and moved to Reeder a year later. He has ever since been foremost and most unselfish in promot-

ing the upbuilding of the village and community. Several tempting offers have at various times been extended him in the east to return, but his unbounded faith in the ultimate success of his country and love of his newly acquired friends and fellow citizens has made him refuse every proposition advanced.

HENRY MOEN

Vote for Henry Moen for State's Attorney of Adams county at the primaries June 26th, 1912.

Henry Moen deserves a second term for the stand he has taken in regard to law enforcement and for his consideration of the tax payer's interest. Two years ago he pledged, that if elected he would enforce the laws of the state. Every pledge he made at that time has been redeemed, and with the past two years' experience he will be in better position to fulfill in still larger measure the duties of this important office.

Messrs. F. A. Finch, and Carrell and Jas. Clay, of Thunderhawk, made a trip to Bismarck per auto Saturday, returning Tuesday. They report that all along the lines a splendidly growing crop was in evidence, and the outlook is most inspiring.

Frances Colahan, Shirley Donovan, Leta Foot and Grace Bolus of this city attended the teachers Institute which was held at Aberdeen the past week. A large attendance of 800 teachers were present and 33 instructors. Three lectures a day were delivered by prominent speakers, among the number being: Gov. Vessey, Dr. Vincent, of the University of Minnesota, Mr. Lawrence, State Supt. of S. D. schools. Our own teachers spoke with enthusiasm of their fine meeting and the opportunity afforded them of listening to a corps of such exceptional speakers.
