HALL'S VEGETABLE SICILIAN
Hair Renewer.

Seldom does a popular remedy win such a strong hold upon the public confidence as has HALL'S HAIR RENEWER. The cases in which it has accomplished a complete restoration of color to the hair, and vigorous health to the scalp, are innumerable.

Old people like it for its wonderful power to restore to their whitening locks their original color and beauty. Middle-aged people like it because it prevents them from getting bald, keeps dandruff away, and makes the hair grow thick and strong. Young ladies like it as a dressing because it gives the hair a beautiful glossy lustre, and enables them to dress it in whatever form they wish. Thus it is the favorite of all, and it has become so simply because it disappoints no one.

Pioneer Press

Greatly Enlarged and Improved,

With a Handsome New Dress and printed on

The Fastest and Best Press in the World,

With eight columns added to its former size, with a Hoe Web-Perfecting Press which prints in one hour fourteen thousand complete papers, with their leaves folded, cut and pasted at the back, it now takes equal rank in size, contents, circulation, mechanical power and in all the attributes of

A First-Class Newspaper,

with the leading Chicago and St. Louis dailies. These are its only rivals in the Northwest in the extent and completeness of its arrangements for the collection of general and Northwestern news, which, in addition to the ordinary agencies of the Associated Press, embrace a widely-extended system of Telegraphic Specials and mail correspondence from Washington, New York, Boston, Chicago, Milwaukee, Madison, Des Moines and all prominent news centers in the Northwest.

Its Field of Circulation

Is immense, embracing Minnesota, West Wisconsin, Northern Iowa, Dakota and Manitoba. Within that field, which embraces nearly two million people, it has no rival or competitor except upon its eastern or southern frontiers, where it disputes possession with the great Chicago dailies. Their peer as a general newspaper, it is far better adapted than they to the needs of the great constituency whose wants and interests it especially represents. Throughout all this wide theater of its circulation it maintains in all its cities and towns A LARGE CORPS OF REPORTERS AND LOCAL CORRESPONDENTS, whose daily telegraphic and mail reports reflect the current daily history of this whole region from Lakes Michigan and Superior to the Rocky Mountains.

A Leader of Opinion.

It need not be said that the PIONEER PRESS, by its intelligent, candid and independent discussion of all the political, financial and other topics and issues of the day, has long maintained a high place among the journals which are recognized not as the organs, but as the leaders and educators of public opinion. The interest of its columns will be enhanced by the fact that this is the year of another presidential election which promises to be one of the closest and most exciting in the history of the country.

Its Improved Market Reports.

Conspicuous among the new features of the PIONEER PRESS will be found the greatly extended and improved character of its market reports, special attention being given to the local grain, provision, produce, and live stock markets, while no pains or expense is spared to procure the latest, fullest and most accurate information by telegraph from all the leading western and eastern food centers.

THE WEEKLY PIONEER PRESS

Enlarged to Fifty-Six Columns,

with a new dress of clear and beautiful type, is now the

Queen of the Family Journals

of the Northwest. It is edited with great care, to meet all the requirements of the RURAL FAMILY CIRCLE. It contains the cream of all the CURRENT LITERATURE AND SELECT READING MATTER of the day, carefully prepared and classified summaries of ALL THE TELEGRAPHIC AND MAIL NEWS of the week, with all the latest and most important news in full. Its Farm and Household Departments, and a recently added Puzzle Column are among its attractive features.

Its Weekly Review of the Markets,

prepared especially for its columns, is alone worth many times the subscription price to every farmer and country dealer in grain, produce, provisions, live stock or any sort of farm product.

The subscription price of the Weekly was last year reduced to

One Dollar and Fifteen Cents per Year.

This reduced price is still maintained, notwithstanding its enlarged size and a great increase in the price of paper.

Taking into view its size, the mass, variety and value of its contents, and their special adaptation to the wants of the rural families of the Northwest, it is by far the Cheapest and Best Weekly Journal published in the West.

To Dyspeptics.

The most common signs of **Dyspepsia, or Indigestion,** are an oppression at the stomach, nausea, flatulency, water-brash, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use.
