WILSON DEMANDS RECALL OF DUMBA FOR STRIKE PLOT

Message Is Sent to American Ambassador Penfield at Vienna.

FULL TEXT OF THE NOTE

President's Action in America's Reply to Explanation of Letter Interpreted as an American-Otto von Bismarck Letter

Washington, Sept. 19 — President Wilson notified the Austro-Hungarian Government yesterday that the United States is going to recall the American envoy to Vienna, Dumba, because of statements in which he had expressed his approval of the strike plot in Austria.

Dumba, who had been in Vienna for several weeks, is understood to have written a letter to the Kaiser, expressing his approval of the scheme to bring about economic disorganization in Austria.

Through Secretary of State Lansing this letter was forwarded to Vienna, and the Austrian Government was asked for an explanation of the letter.

Austria has not yet replied.

ROUSSIAN GEESE COMMANDEERED BY THE GERMANS

When the victorious German made their entry into Russia countless numbers of geese were left behind in the paths of the retreating Prussians and Poles. The Germans saw a supply of food in the flocks of geese and commandeered them. They were made to fly to the German lines and thus furnished a supply of food.
