Mrs. Baxter Passes Away.

One of the sad announcements we have to make in this issue is the death of Mrs. Melvin Baxter, who died at the home of her daughter in Wisconsin. Mrs. Baxter had been in poor health for some time and left the 19th of April for Battle Creek, Mich., where it was thought she would improve under the sanitarium treatment. After a stay of a few weeks there she left for her daughter's home where she died the 3rd of the month. Mr. and Mrs. Baxter have been at Pine Ridge over 19 years and in length of service Mr. Baxter exceeds that of any other employee at this Agency and the death of Mrs. Baxter will make a void that will be long remembered by her numerous friends. Our sincere and heartfelt sympathy goes out to her husband in this, the hour of his greatest bereavement.
