While there's no telling what conditions may face the country before the war is over, one thing is certain and that is that Ford cars will grow more and more into being actual necessities, both in city and country. Prospective buyers will do well to place orders NOW, when a reasonably quick delivery is possible. Don't put it off until spring for the demand is continuous from all parts of the country; Ford cars are wanted in the North, South, East and West, every day of the year. Let us have your order today and we'll hustle our best that you may not be kept waiting.
