WINCHESTER:
THURSDAY MORNING, FEBR'Y 24.

We are glad to see many of our citizens engaged in setting out trees in their yards and in front of their houses on the streets.—They will never regret it. For 25 or 50 cents a nice shade tree can be procured. In fact, we saw a beautiful lot of sugar trees brought in town the other day and sold at 25 cents each. Of course we got some, and were surprised to find them so cheap. If all our citizens would expend a few dollars each and use a little exertion and care in setting out shade trees on and about their premises, how much it would add to the beauty and comfort of our growing town. We love shade trees, and how finely they sett off the houses behind them. We never pass a cottage or house of any sort in sultry summer time, without admiring it, if it has shade trees about, or regretting if it has none. How cooling their shade, how ample, rich, and graceful their foliage!

Besides they add ten times their cost to the value of the premises they adorn. How many persons have admired nice trees in a neighbor's yard, and felt willing to give "almost any reasonable sum" if he only had them in his own, and thereupon resolved when the planting-time come round again, to secure some for himself. And now that time is here and we advise the people of Winchester to be sure and set out some shade trees. If you do not live to enjoy their shade your children will.

THE WAY TO HAVE A "POOR PASTOR."

1. Be very careless and irregular in attending church. Never go, except when you can manufacture no excuse to stay at home.

2. When at church, be either asleep or staring about. Do not listen to the sermon.

3. When you go home, complain of the sermon as light and chaffy, or dry and uninteresting.

4. Treat your pastor with a cold and uninviting civility, and then complain of him because he does not visit you.

5. Neglect to pray for a blessing upon him and his labors, and then complain of him because the church does not prosper.

6. Be always finding fault with your pastor, and yet regret that he is not more popular with the people.

7. Be very lukewarm and worldly minded, and yet complain of him for want of zeal.

8. Neglect to provide for his neccessary wants and then complain of him because he wants his salary, and be sure to envy him what little he has. Preachers eat food like anybody else and need money.

9. Do all these things and you will seldom fail to have a "Poor Pastor."

Sometimes subscribers fail to get their papers. If so, they must not be offended and give us no chance to vindicate ourself. Just let us know, and we'll supply the deficiency. Sometimes we overlook a man in writing off so many. As to Mail failures, we hear many complaints, but have to pass them by, since the evil seems so universal. Besides, we hate to join in with most journals against the "Mails." The subject seems morbid.

Read the advertisement of Wm. Stewart's in regard to pens. We have tried them and find them excellent. They *will not* corrode, positively they will not. Every lady ought to get some, every school boy some and every business man some.

Some woman has presented Boyers, of the Gallatin Examiner, with a boquet of flowers—the first of the season. Several boquets have been promised us, and if weather like this we are now having, continues long, we guess flowers will be plentiful.

NOTICE.

Subscribers receiving their papers with a red cross mark on them will understand it to mean that unless they pay up their dues to us their paper will be discontinued. We have about 75 names that will undoubtedly be erased unless this cross-mark is heeded. Paper alone costs about $11 per week, *cash*, and we are unable and unwilling to submit to this drain upon our pocket unless we are sure that our submisson be appreciated.

Postmasters throughout the country will do us a favor, as well as be doing their *duty*, to inform us when a subscriber refuses his paper, or when the paper lies dead at their office.

LAND FOR SALE.

I wish to sell my tract of land, on which I am now living, containing about one hundred and ninty six acres, lying about four miles north of Winchester, Tenn. on Elk River, and about four miles from the Nashville and Chattanooga Rail Road, and bounded by the lands of W. H. Philips and B. Crisman. Said land is very rich and attractive. About eighty acres are in a high state of cultivation with good fences, a good Dwelling house stables, out houses, &c. Also three excellent springs are on the place within a short distance of the house. There is on the place a most excellent orchard of fine fruit, and a still-house and still close by, which can be bought. This is a desirable tract of land and affords an excellent opportunity for any one to get a bargain.

I can be seen almost any time at home.

SIR JAMSE CLARK'S FEMALE PILLS.—This well-known medicine is no imposition, but a sure and safe remedy for Female difficulties, and obstructions from any cause whatever; and although a powerful remedy, they contain nothing hurtful to the constitution.

For full particulars, obtain, free, of the agent a pamphlet, or refer to advertisement.

N. B.—$1 and 6 postage stamps enclosed to any authorized agent, will insure a bottle containing over 50 pills by return mail.

The most terrible foe we have to encounter in this country is Consumption. First manifesting itself in the form of a slight cold, it gains strength while its victim is unsuspicious of danger, and sooner or later, in nine cases out of ten, terminates fatally. Among the various remedies before the public for the cure of terrible disease, none is equal to HOOFLAND'S BALSAMIC COMPOUND. Even this may not cure you but, if the disease is not too far advanced, you may confidently rely upon it. Try it.

Prepared only by Dr. C. M. Jackson, No. 418 Arch Street, and for sale by druggists and storekeepers through out the United States and Canada. Price 75 cents per bottle.

Notice.

We have a rule that when a subscriber delays payment for his paper for twelve months, we will charge him three dollars, yet many take the paper almost that long, then expect two dollars to satisfy us. Now our dear friends, you ought not to think hard of us should we discont from such a course of procedure. What is the use of us having a rule if we do not comply with it? We must stand faithfully by the rule we have adopted if we would do justice to all our subscribers. It is economical and wrong for us to publish that $2 will be charged in advance $2.50 at the end of six months and $3 at the end of 12 months, and then violate this rule. Therefore please remember that two dollars is the advance price, $2.50 if payment be made in six months and $3,00 at the end of the year, and we WILL NOT violate this rule any more.

Splendid Town Lots FOR SALE.

Nearly on the Public Square,
WINCHESTER, TENN.

Being anxious to remove to another portion of the country I propose to sell the town lot on which I am now living, and on which there is a new, good and convenient two story dwelling, 20 x 46 with a ten foot passage in the middle. Also one brick house, 20 x 40, with two good rooms. Also a large kitchen, smoke house, out houses, &c. This lot contains one and three quarters of an acre, of as rich ground as there is in Franklin county, and fronts about 275 feet on the street running from the square to the Methodist church, and fronting on the whole of the street running from the church at right angle South, and, 250 feet on the street running from thence at right angle west, affording ample room to make THREE beautiful town lots with good-sized gardens attached. In the centre of this plat of ground is one of the best wells of water to be found anywhere, and it NEVER FAILS. The whole of this plat is level and rich and is decidedly the most desirable property for sale in Winchester. On the lot is a blacksmith-shop, woodshop and stable. I will sell the whole cheap for cash and respectfully ask anyone desirous of a good bargain to come and examine the premises. Should any one wish to erect a business house, no better place could be found, as part of it lies but a few steps from the square, while the other part affords a beautiful place for private residences. Here is a chance for some one, who will it be! Apply to
