

Denison, Texas

Dear Editor: I thought I would write a few lines to let some of my old friends know what has become of me. I have been taking your paper for some time and it is just like getting a letter from home. I left old Cookeville 14 years ago. Went to Missouri stayed there two years. come to Sherman have been here twelve years. Texas is a fine place, a man can make a good living here. We raise almost everything we eat. But still I have a longing for old Tennessee. Would like to have a drink out of the town spring. John H. Whitson or some of you boys dip me up a cup of good cold water, for I'm thirsty.

Christmas has passed and everyone around here had a good time.

Hustin Choate lives close to me. They are all well at present.

Hope some of my old friends will see this and write to me.

Would like to know what has become of Fred Staley and wife.

Send my paper to Denison, Texas, R. 3, instead of Bells. FRED NOAH.

Algood, Tenn.

Editor Herald:—As I have never seen anything from this place I thought I would jot down a few lines to your paper.

Come on Hilham. I like to read your letters as it is like hearing from home.

Elzy Danner let me hear from you. You ought to be where you would not freeze when you get out of the house.

Come on you writer from Huntsville. I think I know you. Have you forgotten the day we were digging post holes near

Hilham. I wonder if Bertie West has lost another hat.

C. L. M. what a nice dinner we enjoyed Christmas at W. W. Alley's we made the turkey live hard. I also enjoyed the nice New Years dinner at M. A. Masters.

We are 70 miles south west of Montgomery, Ala., 20 miles south of Selma. This is a nice level country and is so much warmer here than it is up there and it is not so swampy as some people think it is; of course it is a low country. They can raise most everything here, but cotton is the most important crop.

M. A. Masters is getting along fine starting the work for the Alley Bros.

There is plenty of work here for men that haven't employment.

P. M. MASTERS.
