After so long a dry spell we are having some good old soaking rains and people are rejoicing over it.

Corn is all burnt up here, but cotton looks fine.

Mrs. Mollie Mabry, who has been sick for some time, is improving slowly. Fishing and pluming has been the go for the last few weeks.

Miss Martha Strong and Mr. Edgar Henricks were married Sunday. I wish them a long and happy life.

Mr. and Mrs. Mitchell from Texas are visiting their two sons, John and Bill Mitchell, this summer.

Meeting begins at Ivy Schoolhouse Monday night.

Little Cora Mitchell visited little Bassell Randolph Friday.

Lightening struck and killed a cow of John Raggel's Thursday. The cow was standing near a barbed wire fence.

Mrs. John Lain and son and daughter Miss Stella Shockley and the writer visited Johnnie Mabry's Sunday, and it rained so hard we did not get to go home until Monday.

Come on with your letters as they are so good; also you two B. S. boys of California, I like to read you letters.

Grandma Randolph at Neverfail, I will write you a letter through the Herald. I sure would like to be there to help you eat June apples. What is Uncle W. doing now? You ought to have been here this morning to help me eat fish. You must hurry and answer our letter for we want to hear from you.
Your loving grandson,
BASSELL RANDOLPH.

Don't think that piles can't be cured. Thousands of obstinate cases have been cured by Doan's Ointment. 50 cents at any drug store.
