Couldn't Walk!

"I used to be troubled with a weakness peculiar to women," writes Mrs. Anna Jones, of Kenny, Ill. "For nearly a year, I could not walk, without holding my sides. I tried several different doctors, but I grew worse. Finally, our druggist advised Cardui for my complaint. I was so thin, my weight was 115. Now, I weigh 163, and I am never sick. I ride horseback as good as ever. I am in fine health at 52 years."

TAKE CARDUI The Woman's Tonic

We have thousands of such letters, and more are arriving daily. Such earnest testimony from those who have tried it, surely proves the great value of this vegetable, tonic medicine, for women.

Cardui relieves women's sufferings, and builds weak women up to health and strength. If you are a woman, give it a trial. It should help you, for it has helped a million others. It is made from pure, harmless, herb ingredients, which act promptly and surely on the womanly organs. It is a good tonic. Try it! Your druggist sells it.

DAW HE.

Baxter

It has been quite a while since we injected any periods into the columns of the Putnam County Herald, so under this inspiring sunny summer weather we will attempt to toss this wad thither.

This section of the earth's surface has recently been surfeited with copious showers of those earth-rejoicing drops which make us exclaim, "Oh, the cheerful, sunny, summer time, oh, the leafy, sunny, summer time!"

Well, Baxter is plodding its slow, but sure way, we trust, on. We are not much of a factor in this constituent part, but we can say, "On Baxter, On!"

The Seminary building is well on under the rule of reduction ascending.

Our clever, smooth doctor, Thos. Sewell, and family are now ensconced in their new, nice, roomy residence.

Dr. W. E. Sybert's residence has recently been remodeled in a neat, relishing style. So it seems that our doctors are doing as they please.

J. W. Maxwell seems to be determined in dealing out merchandise to the masses as he has located another distributing house in town.

It seems that the Old Democrat of yore is no more, has evolved into Joe C. King, who, let us hope that under this administration, is a better thing.

I would like to know what has become of all my old schoolmates of the Sunday which used to meet at Lee Seminary and other dear friends with whom I used to associate? Knowing that many of you read the dear Herald, I hope our kind Editor will publish my message.
