**A New Back for an Old One. How It Can be Done in Cookeville**

The back aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame to stoop is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the cause. Exchange the bad back for a new and stronger one. Cookeville residents would do well to profit by the following example.

D. L. Richards, of Grimsley, Tenn., says: "I suffered from kidney trouble for many years. Last fall my back and kidneys were giving me a great deal of trouble. A friend knowing of my condition recommended Doan's Kidney Pills as being the best remedy for kidney trouble on earth. I used two boxes and was soon enjoying better health than I had before in a number of years. I sincerely trust that every sufferer from kidney complaint will have an opportunity of reading this letter and profiting thereby."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
