

PUTNAM COUNTY HERALD

VOLUME IX.

COOKEVILLE, TENNESSEE, THURSDAY, OCTOBER 19, 1911.

NUMBER 42.

Mt. View Lodge, No. 179, I.O.O.F. met at the usual hour on Oct. 14th, 1911 with L. D. Bockman, N. G. presiding over a good attendance. Considerable routine and other business was transacted.

Bros. E. D. Staley and C. M. Buck were reported as still doing no good in way of recovery. Bro. R. F. Pippin, strange to relate, after his protracted affliction still seems to be improving though somewhat slowly.

The 3rd degree was conferred upon three applicants. Several committees made reports. From the present outlook the proposition of hall building by the Lodge is a live wire and something is doing even if some do regard the matter as too visionary. Shares of stock of \$10. each will very likely in a short time be offered to all members and in fact to any and all who can appreciate the importance of such a building in this community. A full explanation of the enterprise will appear in circular form very likely in a short while. Every one should aid this move as it will fill a long felt want of this community.

Every teacher who is not providentially hindered is requested to be present. You will notice that the program is not so long owing to the fact that not so many speakers have been placed on. We have given room for a general discussion of each subject and I am anxious that each teacher take advantage of this and have something to say on some subject during the day. Select the subject in which you are interested and come prepared to say something on it. Do not stay away because you are not on the program, for you will be given a chance to say something. We are keeping a record of the attendance at these meetings. Respectfully,

J. M. HATFIELD, Co. Supt.
