JUDGE ROBERT BURROW
Judge Robert Burrow, the Democratic nominee for the supreme court, is an old law partner of Bob Taylor. Back in 1883 when he was launching out into his profession, made so successful in the years to follow. Judge Burrow and Bob Taylor hung up their "shingle" together in Johnson City as the law firm of Taylor & Burrow. As young men with a promising future before them Bob Taylor and Robert Burrow formed many close personal friendships that Senator Taylor enjoyed until his death and that are still cherished by Judge Burrow.
In 1884 Judge Burrow was presidential elector from his district on the Cleveland and Hendricks ticket, and Bob Taylor was an elector from the state at large.
Launching out into a bigger field, Judge Burrow left Johnson City early in his career and took up the practice of law at Bristol, and for the past thirty years he has been very successful in his profession in and around Bristol and Johnson City.
Judge Burrow is a high degree Mason and in 1896 he was elected grand master of Masons in Tennessee by the grand lodge in session at Nashville. In 1913 Washington College, the oldest college in the state, conferred the degree of LL.D. on him on account of his prominence and services rendered the institution.
Judge Burrow is married and is very proud of his family of nine children, five girls and four boys. He was nominated for the supreme court by acclamation by the magnificent Democratic convention which met in Nashville on May 26th, last.

Some men wouldn't leave a dog out all winter but they will a harvester. Yet, taking it by and large and up and down, a harvester will often earn more for him in a year than a dog will.

DON'T DELAY
Some Cookeville People Have Learned That Neglect is Dangerous.

The slightest symptom of kidney trouble is far too serious to be overlooked. It's the small, neglected troubles that so often lead to serious kidney ailments. That pain in the "small" of your back; that urinary irregularity; those headaches and dizzy spells; that weak, weary, worn-out feeling; may be nature's warning of kidney weakness. Why risk your life by neglecting these symptoms? Reach the cause of the trouble while there yet is time—begin treating your kidneys at once with a tried and proven kidney remedy. No need to experiment—Doan's Kidney Pills have been successfully used in thousands of cases of kidney trouble for over 50 years. Doan's Kidney Pills are used and recommended throughout the civilized world. Convincing testimony follows: Rev. D. P. Hart, Dowelltown, Tenn., says: "I was troubled for years by disordered kidneys. I had such terrible pain in the small of my back that I couldn't rest well. The kidney secretions were irregular in passage, being scant at times, then again profuse. Doan's Kidney Pills were finally brought to my attention and I began using them. They soon relieved me and continued use benefited me in every way. Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Rev. Hart had. Foster-Milburn Co., Props., Buffalo, N. Y."

Sunday Decorations and All-Day Sunday Singings a Detriment to Sabbath Schools

It will be conceded by all thinking men that the modern Sabbath school is one among the strongest forces for righteousness in our land. In this institution our children and youth study God's word and receive their strongest impulses for godly living. From the Sabbath school altars are coming the men and women who are to mould and shape the destinies of the nations of this world. By far the larger per cent of those coming into the church today are trained up in the Sabbath school. It is the church school, and the church's strongest auxiliary. No other religious institution has ever been planted in so many destitute places, and served so well as an entering wedge for larger things. No other religious institution has ever touched so many young lives and quickened them into forces for the building up of God's kingdom. How awful the crime of any who will impede the progress of this God-honoring, soul-saving institution.

Strange, indeed, that there are professed friends of the Sabbath school who prove to be its active enemies. There is a prevailing custom in this section that has destroyed more Sabbath schools and decored more people away from the study of God's word than any other influence the devil has yet invented. I refer to the Sunday decoration and the Sunday all-day singing. This custom is all the more dangerous because it poses as a very pious affair. Why, they sing songs of praise to God and decorate the graves of loved ones, besides they have a speech or sermon on the occasion. Yes, and the "dinner on the ground" you promise the public and the other attractions connected therewith serve to decoy the unthinking and careless ones away from the Sabbath school Sunday after Sunday, until they lose all interest or break the habit of going to Sabbath school, and as a result many of the schools are destroyed or so crippled in their work that little good is accomplished. A little observation will convince any one, with intelligence, that there is an all-day singing or Sunday decoration in reach of almost, if not every, Sabbath school in this section throughout most of the year. From early spring to late fall there is a class of people who race from place to place Sunday after Sunday in search for the loaves and fishes, or to see the crowd and be seen. The remainder of the year the roads are rough, the weather bad and they remain at home. So these people (and they are many) are lost to the church and Sabbath school. Ridiculous as it may sound, it is frequently the case that the officers and teachers of the Sabbath schools leave their post of duty and follow the crowd. Sometimes the pastors will "call in" their appointments for these things and deliver the whole thing over to the devil. Satan has had many thousands of years experience fishing for Adam's fallen children and he knows just how to bait his hook. So he contrives to have some "jack-leg preacher" or some old broken-down public speaker, who can't get a crowd any other way, to go over and sugarcoat the performance, or flavor it with some piety which he piously calls religion.

I concede there may be some who go to worship God in song or to plant flowers on a grave in loving memory of friends departed; but who has any right to steal God's day for a decoration just to save a week day? Who has any right to rob God's church of her school even though it be to sing good songs? Can we not sing these same songs around the Sabbath school altar just as acceptably to our God? Why select the Sabbath school hour for such a spread on, and invite the whole country to leave the post of duty to revel in these things? Why not have the singing or decoration on some other day and thus add to instead of subtract from the church of God? But do you say they won't come on a week day? Then the heart is not in it and it would be best left off. Truly yours, Fount Smith.

They may experience shortness of breath on exertion, pain over the heart, or dizzy feelings, oppressed breathing after meals or their eyes become blurred, the heart is not sufficiently strong to pump blood to the extremities, and they have cold hands and feet, or poor appetite because of weakened blood supply to the stomach. A heart tonic and alterative should be taken which has no bad after-effect. Such is
