

MEMPHIS APPEAL

FRIDAY : : : MAY 7, 1875.

The Mobile Register is of the opinion that the American institutions shall come out proof against Grantism, Cesarism, Radicalism and Robertsonism...

HAMPER'S WEEKLY declares that unless Grant makes a declaration against this nation, he will hold him responsible for creating a schism in its ranks...

A CALL for a meeting of all citizens of Memphis who desire to participate in observing the centennial anniversary of the declaration of independence...

A LETTER from a former resident of Memphis, writing from Chicago in regard to the proposed reunion of the "blue and grey" in Chicago...

We are hostile to Estlin, and detest him because he knows nothing but the old State sovereignty blather. That has been the affection of his life.

The spelling bee for the benefit of the orphans of the Church Home, to come off at the theater next Monday night, promises to be an occasion of great interest...

The leaders of the Republican party will meet in Washington in a week or two, it is currently reported, for the purpose of waiting upon President Grant in a body...

The New York Sun, whose editor came within an acre of falling a victim to the centralizing tendencies of the Republican party...

The sovereign States that attempted to leave us were banished into their places. They are nailed to the nation like criminals on a tax-gallon.

The sovereign States that attempted to leave us were banished into their places. They are nailed to the nation like criminals on a tax-gallon.

unscrupulous in his actions and unblushing in his assertions. Just now he has the independent feeling...

THE New York Herald says of the coming speeches by the counsel for and against Beecher...
