SOUTHERN

Commercial College,

AND

WRITING INSTITUTE.

THE first term of this College will commence on MONDAY, Feb. 13, in the large and spacious room in Cooper's block, on Cherry street, five doors above Deaderick.

The course of instruction in this institution will embrace Book-keeping, Commercial Law, Commercial Arithmetic and Penmanship.

No pupil will receive a diploma until he is thoroughly qualified to discharge the duties of the accountant.

Students will be instructed in all the modern improved forms adopted by the best regulated houses in the country, among others one which dispenses with the use of the Journal, greatly lessening the amount of labor and liability to error, and another which renders the use of the Cash book and Journal superfluous, and enables the book-keeper to post his personal accounts daily, and his merchandize and cash as often as may suit his convenience.

This latter form is more particularly designed for the use of retail establishments.

They will be taught a simple process by which the merchant may at all times ascertain the amount of his loss or gain, together with the quantity of goods on hand, without resorting to the tedious process of taking an inventory.

This institution will be permanent, and has been established to meet the already important and growing commercial interests of the city of Nashville and State of Tennessee, and it is designed to place it upon a basis inferior to none in this country.

The importance, to every business man, of a knowledge of accounts, must be sufficiently obvious to all reflecting minds.

To the man of wealth, it is important to enable him to manage his affairs scientifically, and without pecuniary loss and the Lawyer is often called upon, in the discharge of his professional duties, to unravel the most intricate accounts, first to the young man who depends upon his own resources for a livelihood, it is invaluable. It gives him a position which nothing else can.

He holds the post of confidential clerk in the employers, service.

In connection with this establishment is a department for the benefit of those who wish to take lessons in writing only, there is an elegant hand writing will be imparted to all who place themselves under the care of the preceptor.

Pupils entering this institution are not limited to any number of lessons, but for a specified price may continue any branch they pursue until they are perfected, retaining the privilege of reviewing their lessons at any subsequent period, free of charge.

SICK BABIES WANTED.

FIFTY-FIFTHS of the deaths throughout the Union, are children under five years of age.

The remedies that are serviceable for adults are absolutely ruinous for patients of more tender years.

The Children's Panacea of the Grafenberg Co'y is prepared by an aged Physician, who has devoted his whole life to the study of the diseases of women and children.

It has been used in this city with the happiest effects upon more than 12 hours old, when the attendants upon the mother have thought that life could not possibly be preserved.

I have received voluntary certificates from parents whose children have recovered when in the last stage of prostration, after remedies having failed.

Let every Mother use the Children's Panacea!

Ist. When the child is troubled with griping or flatulency.

2d. When there is looseness of the bowels, or where the discharge is scanty, of a bad color and smell.

3d. When the child is attacked with Measles, Convulsions, Cholera Infantum or Worms, this remedy is a cure, as it has not only relieves the anxious mind of the mother at once.

4th. When the child starts in its sleep, and wakes suddenly in a fixed affrightened look.

5th. When there are worms this remedy is the most certain cure ever known. Let it be resorted to in all cases of children's disease, particularly during the second summer, or when teething, or when troubled with boils, as is now in case with half the children of Nashville, and its value will be at once admitted.

The Grafenberg Medicines are all prepared by Physicians who have had many years' experience. There is no humbug about them.

In every case where the Medicines are used according to directions, and they fail to do what is promised for them, I will never hesitate to refund the money.

They are for sale by all Druggists in this State,—of whom also may be had

The Grafenberg Manual of Health,

A compendious and familiar treatise on all diseases to which residents in the West are liable.

Also 50 THOUSAND DOLLARWICK, 50,000 copies being put out for the first purpose, THE GRAFENBERG ALMANAC, or LUNAR FOR THE WORLD FOR 1855.

STOP THE RASCAL!

TWENTY-FIVE DOLLARS REWARD, for a man who calls himself ORIVAL EVERETT, who came to my house in February last, and set in to work for me, and remained with me until last Saturday evening; he then took my horse, saddle, bridle and blanket, and made his escape, and has not been heard of since. He is a small man, of rather yellow complexion; about five feet six inches high; he has a thin visaged man, with a yellowish hazel eye, and a tolerable large nose; his hair is straight and black, with some few gray hairs; he says that he is 25 years old; he is a mild spoken man with but few words; he said that he was raised in East Tennessee, and his father lives in Roane county, East Tennessee. The horse that he carried away was a young bay horse, two years old; about fifteen and a half hands high, with a bald face, and hind feet white a little above the quarter joints; he has a black main and tail, and is a pacing horse; he is of the Tom Hall pacing stock, and can pace very well; he is unshered, and shod before when he left.

I will give the above reward to any person who will bring me the man and the horse, or either of them, or secure either of them, and give me information so that I can get them. S. J. KITTRELL.

THREE HUNDRED DOLLARS REWARD.

RANAWAY from the subscriber about the 25th of August, two negroes, JOE HALL and JIM BURRIS. Joe is a black negro, about 24 years old, 6 feet 1 inch high, very stout but not fleshy, weighs about 180 lbs. has a scar on one of his cheek bones, caused by a burn, can read and write. Jim is a copper colored negro with yellowness about the eyes, about five years old, 5 feet 9 inches high and weighs about 175 lbs. They have a large amount of money with them, in notes of the "Bank of Tennessee." They are both keen, shrewd negroes, and possibly have forged free papers with them.
