##### FOR REPRESENTATIVE

We are authorized to announce J. P. Sipes a candidate for representative in the lower house of the Tennessee legislature subject to the will of the republican party.

We are authorized to announce A. C. McKinzie a candidate for the Legislature, subject to the choice of the democratic party.

We are authorized to announce GEO. A. PRATHER a candidate for the Legislature, subject to the choice of the democratic party.

### PERSONALS

J. F. Wilson, of the McNairy section, was here Monday.

A. J. Garner was among Monday's Selmer visitors.

All our slippers will be sold at cost. E. F. Hendrix & Sons.

J. B. Huggins, from the Gravelhill section, was a pleasant caller Monday.

J. R. Stovall, of Bethel Springs, spent Monday in Selmer.

A. C. Williams, of the Second District, was a town visitor Saturday.

Tillman Henry, after several years at Bemis, has removed to his old McNairy county seat.

J. T. Templeton, of Stantonville, was here Monday and made us a few minutes call.

**BARGAINS IN SLIPPERS:** We are selling all of our slippers at cost. E. F. Hendrix & Sons.

D. E. Marshall, of Purdy, one of the most energetic young farmers of the county, enlisted as a delegate to Jackson.

J. L. Littlefield was a business visitor to Selmer, looking after matters connected with the Snake Creek Drainage enterprise, Saturday.

Miles T. Inman and R. M. McCann entered their names as delegates to the Jackson Institute. Only a few more are needed to make our quota.

Stant Ferguson was in Monday and said he had been borrowing the Independent, and we fixed him with one of his own.

Mrs. Varnell, of Jackson, and preacher son made us a brief call Monday. Rev. Varnell began a meeting at the Shiloh Baptist church Sunday.

Gen. B. J. Howard was the king bee in Monday's throng. He is a good mixer and knows how to touch a live cord. He seems perfectly sanguine of his success in the primary.

**FOR SALE**—The Wilson residence on Fifth street; terms if desired. Call at McNairy Co. Bank.

Mrs. A. C. Lea, of Shreveport, La., is spending a while with Selmer relatives and friends. Everyone is glad to see her enjoying such good health. She says "Al" will be here at the big barbecue.

All are pained to learn of the illness of Ex-Chancellor E. L. Bullock at a sanitarium in East Tennessee. His weakness developed rapid tuberculosis, and his physicians hold out but little hope of recovery or of living but a short time.

J. R. Gooch, of Gravelhill, was a business caller Wednesday. He and family will move to Birmingham, Ala., in two weeks. The county is a large loser by his removal.

This week appears the announcement of Geo. Prather as a candidate for the lower house of the Tennessee Legislature, subject to the action of the democratic party. Mr. Prather is chairman of the county court, having been elected last January. He has filled this responsible position with ability and given, so far as we know, universal satisfaction. He has been apt in comprehending the duties of the office, thereby showing a well-matured mind and clear head. He would make a representative that no citizen could be ashamed of. He is strictly sober and of good moral character, and would look after the people's interests.

Tobacco and Cigar Salesmen wanted to Advertise. \$100 monthly and Traveling Expenses. Advertise Smoking Chewing Tobacco, Cigarettes, Cigars Send 2c stamp for full particulars. HENET TOBACCO CO., New York, N. Y.

Mrs. Allen and daughter, of Union City, are the guests of Mrs. E. F. Hendrix.

D. P. Holland and wife, of Halia, are visiting his father, W. C. Holland, of Selmer. Mr. Holland says McNairy has much better crops than in Dyer or any intervening counties, as he came through by land and closely examined the crops.

U. E. Barnes, about 4 miles south of Selmer, has quite a lot of Elberta peaches. He brought a load to town Monday and they went like hot cakes. He says he has 50 bushels, and brought to our office a half dozen Tuesday. The six weighed exactly 3 lbs. lacking 3oz. Two of them weighed 4lb. each. He will have them here for sale as fast as they ripen.

Among the list of announcements in this issue is that of A. C. McKinzie, who is a candidate for the legislature, subject to the will of the democratic party. Mr. McKinzie is a McNairian, bred and raised in the Tenth district on a farm. He has never held any office of importance, but is a man of information and good intelligence. He knows what are the needs of the common people, and will direct his efforts, if elected, to serve the entire people of the county. There is not a question about his democracy, and will be in line with the party on all great issues.

S. V. Potts to Sallie Lock. Thurman L. Harris to Bonnie Cartwright.

Norman Crum to Roxie Willbanks. Alvin Jagers to Lizzie Moore.

Bites of poisonous insects that cause the flesh to swell must be treated with a healing antiseptic that will counteract the poison and heal the wound. Ballard's Snow Lintiment answers every requirement in such cases. Price 25c, 50c and \$1.00 per bottle. Sold by B. L. Browder exclusively.

#### Land Transfers

G. L. Anderson to Mrs. Georgia Anderson: 2 lots, \$500.

J. B. Kerby and wife to Ulysses Alexander: 130½ acres, \$900.

G. C. McCullar and wife to Lee Richards: 10 acres, \$75.

W. B. Johnston and wife to Lee Richards: 17 acres, \$165.

J. H. Howell and wife to W. C. Sweat: 237 acres, \$1,500.

No acres appearing in the deeds is the reason of many transfers not in our reports.

Stepping on a rusty nail has been the cause of many cases of lockjaw. The nail was not so much the fault as neglect of the wound. If such wounds were promptly cleansed and Ballard's Snow Lintiment applied there would be no lockjaw, as the antiseptic properties of the liniment would counteract the poison and the wound would heal quickly. Price 25c, 50c and \$1.00 per bottle. Sold by B. L. Browder exclusively.

#### Public Sale of Valuable Property

By virtue of the power and authority vested in me as Receiver of the Bank of Finger, I will, at the time and place, and on the terms all as stated below, offer for sale to the highest bidder, at public outcry, the real estate, furniture and fixtures belonging to said bank. The real estate consists of one lot 25 feet wide by 120 feet deep, on the North side of Main Street in the town of Finger, McNairy County, Tennessee, fronting on said street, and with a comparatively new, well arranged, commodious two-story brick banking house thereon.

The fixtures consist of modern oak, frosted glass and grill work as good and attractive as may be found in any small bank; an up-to-date Mosler's screw-down safe; adding machine; typewriter; desks; tables; chairs; stools; and numerous other small office articles.

The real estate and personalty will be offered both separately and all together, and the bid or bids yielding the greater aggregate sum will prevail.

The right to reject all bids and re-advertise will be reserved, to insure against a sale of the property at less than its reasonable and fair value. PLACE OF SALE: Bank of Finger Building, Finger, McNairy County, Tennessee. TIME OF SALE: Saturday, August 15, 1914, 1 o'clock P. M. TERMS OF SALE: Cash. This July 10, 1914. F. J. FLOYD, Receiver.

### SAND BOX

Monday's crowd looked like old times, but many of the old faces are supplanted by the new generation. This section is blessed with showers and good crops not accorded even some sections of this county. We did not know any more about the election from the crowd Monday than we knew before. Our readers will know more about it after they read the Independent than they do at this writing. The results will be known by ten o'clock Thursday night. The little scrap in Mexico does not get any position in the headlines. We will try to get the tabulated vote for our readers in next issue. We have no space for any dead matter or ads, so you will have fresh ads as well as other matter, and the ads are just as valuable reading—and often more so—as pure reading matter. The picnics and barbecues will now go into winter quarters. The greatest war the world ever knew looks inevitable, and is really on. The watermelon crop was consumed Monday, from the piles of rubbish in every alley. The world's war will be a death knell to cotton, and a lowering of prices on everything else we raise in excess of home consumption. We trust the results of the election will show that the use of red liquor does not carry McNairy elections. That work on double-tracking the M. & O. has not gotten under headway yet. Every one must expect a general stagnation of business while the wars rage. We ought to be thankful that the big waters may keep them off our toes. In air battles so far no hospitals are needed. Baskets for the fragments only are needed. The Germans are the best trained soldiers in the world. Five millions seems invincible. Unless the government valorizes cotton and stores it, issuing certificates for same, it will not bring 5 cts. in the open market. Now we see whether we need a merchant marine. The American flag would be exempt from capture, while we are neutral and at peace. American tourists across the big pond are trying to get back, but all are stranded for money and vehicles to come back on. Letters of credit and such do not go in times of war. We can use our battleships to send gold across and bring back our tourists. We have no other crafts floating our flag.

#### Summer Constipation Dangerous

Constipation in summertime is more dangerous than in the fall, winter or spring. The food you eat is often contaminated and is more likely to ferment in your stomach. Then you are apt to drink much cold water during hot weather, thus injuring your stomach. Colic, Fever, Ptomaine Poisoning and other ills are natural results. Po-Do-Lax will keep you well, as it increases the Bile, the natural laxative, which rids the bowels of the congested poisonous waste. Po-Do-Lax will make you feel better. Pleasant and effective. Take a dose to-night. 50c at your Druggist. adv.

#### Easy to Darken Gray Hair

When your hair turns gray, streaked with gray, white, faded, brittle, falling out, itching scalp or dandruff, try the following: On retiring rub Q-Ban like a shampoo on hair and scalp. By morning the gray has disappeared and another application or two of Q-Ban the hair is beautifully darkened and becomes fluffy, glossy and luxuriant with real hair health. Itching and dandruff have stopped. Q-Ban stops falling hair and promotes its growth. Q-Ban is not sticky and messy, and cannot injure the hair or scalp. Delightful to use and sure to darken hair so evenly and naturally no one can tell. 50c for a \$1 bottle. B. L. Browder, Selmer, Tenn. adv.
