SLEPT BESIDE DEAD BODY OF MOTHER.

Mrs. William Leonard, wife of William H. Leonard, a printer for many years until of late employed by The Press, was found dead in her bed at 1040 Springwood avenue early this morning by Mrs. Annie Alexander, who went to call her to breakfast. At her side slept her daughter, Miss Elizabeth, a young woman. Mrs. Leonard, physicians said, had been dead two hours. Her death was due to heart disease.

Mrs. Leonard last night was apparently in her usual health. She attended a meeting of her lodge and retired rather late. Mrs. Alexander lives with the Leonard family. Mr. Leonard being employed in Philadelphia. She went to call Mrs. Leonard and her daughter and discovered that the former was dead. She died during her sleep.

Funeral arrangements have not been completed.

Mrs. Leonard was well known in this city, having lived here in the early nineties. Mr. Leonard was in Nashville last year and a part of this employed at the Sunday-School Union publishing house. He returned east during the summer to accept a position with the Book Concern of the African Methodist Episcopal Church in Philadelphia, where he was at the time of the untimely death of his wife. The friends of them both in this city will learn with much regret the sad occurrence.

REV. HALE IN THE CITY.

Rev. J. H. Hale, of Chattanooga, Tenn., left Nashville Sunday noon over the Dixie Flyer for his home after having spent a strenuous three or four days in Nashville mixing business with pleasure. He was present Thursday night at the State Capitol during the meeting of the Educational Board and made a masterly speech in behalf of the location of the State Normal School for Negroes in Chattanooga. His argument was exceedingly forceful. He kept before the committee the advantages offered by the Lookout Mountain people. When seen at the station Sunday morning he was still hopeful and buoyant of the success the great eastern city would have in triumphing over Nashville in the school matter. Professor Hale came to Nashville with the hearty endorsement of both the white and colored citizens who are doing everything in their power to locate the first state institution for Negroes in East Tennessee. Professor Hale purposes to fight until the school is finally located, as he is working in the interest of Chattanooga first, last and always.

MEHARRYITES LISTEN TO SCIENTIFIC SERMON.

Among the good messages brought to us since the opening of school the great sermon delivered by Dr. Dube, Editor of the Epworth Era had its place in the front rank. It was the means of showing the value of religion in its true sense. In narrating on the spiritual race of man, the able speaker touched on the scientific, ethical and aesthetic side of the question. In summing up the speaker thundered out the following: "The religion of the Jews has made a Jew, the religion of the Greeks has made a Greek but the religion of Jesus Christ makes a man."

At 3:00 o'clock Sunday 20th inst. the Woman's Christian Temperance Union will conduct a great meeting at the auditorium when some of their prominent speakers will be present.

At 8 p. m. the same evening Dr. M. C. B. Mason, Secretary of the Freedman's Aid Society, of Cincinnati, Ohio, will deliver one of his famous addresses in aid of that institution. The public is very cordially invited to these meetings.

AN IMPORTANT CONFERENCE BETWEEN THE BLACK AND WHITE MINISTERS OF NASHVILLE.

Monday of this week, saw the first actual meeting, and possible getting together of the ministers of the two leading races of Nashville. It was the first meeting of its kind held in the city for a number of years, and is said to have been the direct result of the Rev. Dr. Weaver's sermon on the Negro some weeks ago, which caused no little favorable comment. A splendid crowd, representing, possibly, a majority of the leading pastors of the city from both races was present at the First Baptist Church, white, when the meeting was called to order. It was presided over by the Rev. Dr. Lofton. Among the Negro ministers present were Revs. G. B. Taylor, Jno. Slaughter, I. J. Jordan, S. S. Cumby, C. H. Clark, R. H. Boyd, E. M. Lawrence, Wm. Haynes, J. C. Harding, T. J. Turner and Prof. J. D. Crenshaw, Editor of the National Baptist Union-Review.

About two hours were spent in the discussion of problems for the betterment of conditions of the two races in Nashville. It seemed to be agreed by the ministers present that they would give sin and Satan no quarter, and that they would be outspoken as usual against crime and vice.
