

THE LORD'S SUPPER

THE RIGHT VESSELS USED TO COMMEMORATE IT

ANY Congregation can have its wants supplied by securing one of our Quadruple-Plated Table Silver ware Communion Sets at a moderate price and on reasonable terms. A set consists of one flagon, two goblets and two bread plates. If the church wants more goblets or plates, they can be furnished at an additional cost. The commemoration of the Lord's Supper is a very sacred ordinance. The custom for centuries has been to have special vessels for this occasion. Thus a communion set becomes an important part of this service. Many churches have used the old-style communion set while others use an individual set. Both are appropriate and well-recommended. One is no reflection upon the other.
