UNIVERSITY STUDENTS AT AUDITORIUM.

It was learned this week from the president and the director of the Union Chorus which is to render the sacred cantata Sunday at Ryman Auditorium, that a special invitation had been extended to Roger Williams University, Fisk University and Walden University to be present with their entire student body to witness the rendition of the sacred cantata. At the beginning of the week chairman Lewis stated that he had already heard from president Johnson of Roger Williams to the effect that he expected to have not less than one hundred of his students present. He stated that he expected a large representation from the students of the other universities, as special arrangements had been made for the accommodation of the students.

Spend an afternoon in hearing the Sunday-School Union Chorus render special selections at Ryman Auditorium Sunday afternoon at 2:30 o'clock. Silver offering ten cents.

METOKA CLASS ELECTS DELEGATE.

Another Sunday-school class went on record last Sunday as in favor of co-operating with the Sunday-School work and supporting the Congress movement, by the election of one of their number as a delegate for the third time. Class No. 14 of the Mt. Olive Baptist Sunday-school will send their teacher, Deacon James Martin, as their representative. He will go to Tuskegee this year not only as a representative from his class, but as a member of the Executive Committee of the National Metoka and Galeda Union.

SELECTED FOR THE SIXTH TIME.

For the sixth consecutive time Rev. C. H. Clark, D. D., pastor of the Mt. Olive Baptist Church, has been selected to preach the baccalaureate sermon of the Male and Female College at Hopkinsville, under the presidency of Prof. P. T. Frazier. When asked about how this came about, Dr. Clark stated that he did not know except that he had at one time lived in Kentucky and was a native Kentuckian. He said that invitations and overtures for him to deliver this annual sermon had been made early in the winter. The sermon is to be preached on the third Sunday in May at the auditorium at Hopkinsville. It is usually looked upon as a most important day in the city.

Do not remain at home Sunday afternoon. If you do you will miss a rare treat in store for you. Union Chorus and Sacred Cantata at the Ryman Auditorium at 2:30 o'clock.

CHRISTIAN WORKERS' CONFERENCE.

The Christian Workers' Conference will meet at 513 Mulberry street at ten o'clock Monday, April 22nd. The lesson on "How to deal with the moralist" will be taught.

We were pleased to welcome to Sunshine Home for the first time on April 12th, Miss Lucy Tapley, President of Spelman Seminary. She was in the city attending the meetings of the Educational Convention.

Other guests at the home recently were Miss Leila McClure and Miss Rachel Everett, of Clarksville, Tenn. Miss Everett has returned to us to be one of our helpers in the home. She is the sister of Mrs. Cora Pettus, missionary in Clarksville.

Miss Florence Burnett, who has been confined to a sick room for some time, is slowly improving.

Mrs. Mary H. Flowers is having two weeks of rest, spending most of her vacation in Knoxville, Tenn.

GREAT REVIVAL IN COLUMBIA.

Special to the Globe.

Columbia, Tenn., April 15.—The Mt. Lebanon Baptist Church has just closed a great revival meeting, with twenty-five conversions. The pastor, Rev. B. L. Ivory, D. D., has conducted himself in a way so as to win the confidence of the citizens as well as his own congregation. Therefore he has conducted one of the grandest revivals ever held in the history of the church. The pastor is being congratulated by so many other denominations for his masterly preaching and manner of conducting his meeting. It is being said that Dr. Ivory a great revivalist, a fine pastor. The baptizing will be on the first Sunday in May. A large number will be present for baptism. The pastor has only been in this field ten months and there have been thirty additions made to the church, also some improvements have been made on the building and a large debt has been paid. The Sunday-school is building up, and for this cause the church speaks very highly of him as pastor. The church contends for one Lord, one faith and one baptism. The United Song Services held with the Mt. Lebanon Baptist Church was a decided success on last Sunday. The congregation was entertained with addresses by Dr. Davis and Dr. J. C. Shoffner, both making fine talks on how to better conditions of the race. Their words were timely and appreciated by the entire congregation. Such men are much needed and much can be learned from their information and instruction. We hope they both may have continued success in this place.

Everybody is invited to the Auditorium Sunday afternoon at 2:30 o'clock. The attraction Union Chorus and Sacred Cantata.

DEATH RELIEVES A LONG SUFFERER.

Mrs. Willa Thompson, of 1818 Jefferson street, died Thursday, April 18th, after having suffered for many months. The deceased was well known in this city. Her maiden name was McBroom. She was a member of one of the oldest families in this city and was for a number of years a teacher in the public school. Mrs. Thompson taught school here until she was married to Mr. J. A. Thompson, of Chicago. They lived happily together in that city until

poor health forced Mrs. Thompson to return to Tennessee. Her health continued to grow worse to the last. One child was born to this union, but lived only a short time. A mother, one sister and three brothers survive the deceased.

Mr. Thompson was seen by a Globe representative as he was on his way to the station to return home. He expressed the highest appreciation of the kindness and sympathy shown him and the family of Mrs. Thompson during her illness.

MR. RHINES OF WASHINGTON.

Friends are shaking hands with Mr. John Rhines, the undertaker, who is here from Washington, D. C. Mr. Rhines is the son of Attorney Rhines of the city, and is engaged in the undertaking business in the national capital, which has been conducted very successfully. Mr. Rhines is also conducting a business in Georgetown, D. C. The degree of success that has met his effort has been the source of much favorable comment to his many Nashville friends. He is the guest of his relative, Mr. Eugene Page, of Fourteenth avenue, North.

MINISTERS AND LAYMEN'S MEETING.

The Ministers, Laymen and Presidents of the Auxiliary Boards of the Nashville District are called to meet in council in Capers Chapel C. M. E. Church, April 24-25, at 10 o'clock a. m. to plan the work that is to be done in this District this year. Bishop C. H. Phillips, D. D., will be present and will impart much needed information. Ministers and members of other denominations are invited to attend.

Rev. H. J. Johnson, the presiding elder of the Nashville District, will be in charge of the meeting.

The greatest outpouring in the interest of any religious movement will be witnessed Sunday when thousands will be at the auditorium to hear the Union Chorus and Sacred Cantata at 2:30 o'clock.

ANNUAL SERMON TO COMPANY "G."

Company G held their annual sermon last Sunday at 3 o'clock, at Salem A. M. E. Church, Rev. G. W. Martin officiating. The soldier boys turned out in full force. Rev. Martin's subject was "It is expedient that we have war." Rev. Childress, pastor of the church, was master of ceremonies.

PROF. P. T. FRAZIER, OF HOPKINSVILLE.

Last week Prof. P. T. Frazier, the principal of the M. and F. College, Hopkinsville, Ky., was in the city. He was here to visit his daughter, who is taking a special course in one of the universities of Nashville. Prof. Frazier was seen by a Globe representative and stated that he expected to be back in Nashville the first week in June en route to the Sunday-School Congress, that he and his people were going to take advantage of the special Congress train to be run from Nashville to Tuskegee. It was learned from him that a deal of interest in Nashville's splendid growth was being manifested in Kentucky.

CARD OF THANKS.

We take this method of thanking our many friends and neighbors for their kindness shown us during the illness and death of our beloved daughter and sister, and also for the beautiful floral designs.

The operation was especially noted for its accuracy and speed.

Among the places of interest visited by Miss Tapley while in the city was the Frieside School, founded by Miss Joanna P. Moore, where she was entertained at luncheon, and the National Baptist Publishing Board, Dr. R. H. Boyd, secretary, where she addressed the employees of the institution at their regular morning chapel service.

It will be remembered that Miss Tapley succeeded the late Miss Harriet E. Gles, who, with Miss Sophia B. Packard, was the founder and a former president of the institution. The selection of Miss Tapley to take up the work left behind by Miss Gles was made because of meritorious services rendered.

In speaking to a Globe reporter about the school work, Miss Tapley said that on the campus of Spelman Seminary this year there are about 400 boarding students, and that it was her displeasure to turn away 150 more, because of insufficient dormitory space.

It goes without saying that Spelman Seminary, located at Atlanta, Ga., is the largest distinctively female college for the Christian education of the women and girls of the race in the world, its list of students including women and girls from every portion of the United States, Canada, South America, Africa, Jamaica, Central America and other foreign countries.
