

All Played Out at Quitting Time? You Need **TANLAC** The World's Greatest Tonic

The Hardest Ever.
 "The Professor—"The diamond is the hardest known substance, inasmuch as it will cut glass." The Cynic—"Glass! My dear sir, a diamond will even make an impression on a woman's heart."
 —Town Topics.

Important to all Women Readers of this Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.
 Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.
 If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.
 You may suffer pain in the back, head-ache and loss of ambition.
 Poor health makes you nervous, irritable and may be despondent; it makes you old.
 But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.
 Many send for a sample bottle to see what Swamp-Root, the great kidney, liver and bladder medicine, will do for them. By enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., you may receive sample size bottle by Parcel Post. You can purchase medium and large size bottles at all drug stores.—Advertisement.

Lots more people would want to live in the suburbs were it improper to do so.

Indiana Town Is Demolished by Terrible Tornado

Tornadoes that swept through southern Illinois and southern Indiana a few days ago killed about 50 persons and did terrific damage. The town of Hedrick, Ind., was almost demolished. The illustration shows a view of the main street, and a house upon which a windmill fell.

The **KITCHEN CABINET**

Copyright, 1911, Western Newspaper Union
 A soothing stream of sweet content
 Ran through my plains of thought
 All day,
 Carousing, blustering as it went,
 The backs of deeds upon its way.
 I sought at night to trace its source,
 Following back its beck and nod,
 Deverting, skirting all its course,
 To find at last, it came from God.
 —Harriet H. D'Autecourt.

WHAT TO EAT

A particularly good sandwich for the children's luncheon is prepared as follows:
 Spread brown or whole wheat bread with butter, then sprinkle lightly with minced water cross. One may spread the bread with cream cheese after spreading with butter, then add the cross. This will make a more nourishing sandwich.

Roasted Turnips.—Small peeled turnips parboiled until half cooked are drained and then placed in the roasting pan with the roast of mutton. Baste with the roast and serve around the roast on the platter.

Mutton stewed with turnips is a good dish. Beat one and one-half tablespoons of butter and when bubbling hot add eight dried turnips, season with salt and cayenne and let cook a few minutes, then add one and a quarter cupful of weak stock and boil gently until the turnips are tender, then the mutton and turnips are put together when the meat is nearly cooked. Add a tablespoonful of flour browned in a little butter, boiling five minutes.

Cracked Wheat Bread.—Boil one cupful of cracked wheat in three cupfuls of boiling water for one hour, then add when cool one-half cupful of molasses, one-half cupful of oil, one cupful of sugar, two tablespoons of butter and sufficient flour to make a dough to knead. Knead until well raised, divide into two loaves and place in buttered pans. Let rise again and bake for forty to fifty minutes in a moderate oven. Another good bread is made by adding a cupful of cracked wheat with a cupful of cornmeal, two tablespoons of baking powder, a teaspoonful of salt, a tablespoonful of butter, two beaten yolks and one and one-half cupfuls of milk. Fold in the beaten whites and bake in a baking dish. Serve from the dish.

Another Royal Wedding Coming?

Announcement of another royal engagement is expected soon. It is reported that Albert, duke of York, brother of the prince of Wales, is to marry Lady Rachel Cayndish, daughter of the duke of Devonshire.

BIBLES FOR THE BLIND

This is a Bible for the blind printed in American Braille by the American Bible society. It required 19 volumes, weighs 150 pounds and costs \$75 to produce. In comparison is shown a condensed Bible, held by the young lady in the photograph, which contains selected passages. The condensed version weighs but one pound and is small enough to be carried in the coat pocket and sells at a price within the reach of anyone.

Josh Billings says we all desire
 To ultimately get up higher,
 But as to the time of starting,
 None seems in haste about departing.
 For whether one goes straight to glory
 Or gives away in purgatory
 Is a question that's not yet decided
 At least the doctors are divided.

For me, I'm far from in a hurry
 To get out what's in purgatory,
 And so I keep a watchful eye
 On every sale that goes by.
 —John T. Smith

WHAT TO PUT INTO THE COOKY JAR

Is there any sweet which takes the place of a nicely made cookie? If so we hope to hear about it. In the making and baking of any kind of cookies, care must be taken to make them according to directions and use great care in the baking.

Old-Fashioned Ginger Snaps.—Bring to the boiling point one cupful of molasses, add one-half cupful of sugar and two-thirds of a cupful of butter or good shortening, one tablespoonful of ginger, one-half teaspoonful of salt, and one teaspoonful of soda. Beat and mix well and set on ice after adding enough flour to roll. When well chilled, roll and cut. Bake in a moderate oven.

Grandma's Cookies.—Cream one cupful of butter and add two cupfuls of sugar and three well-beaten eggs. Dissolve a teaspoonful of soda in a tablespoonful of hot water, add two tablespoonfuls of cream and mix all the ingredients together. Add one and one-half tablespoonfuls of ginger and flour to roll (three or four cupfuls). Place in the ice chest over night. In the morning roll very thin, cut out and bake.

Honey Ginger Snaps.—Take a pound of honey (one pint); three-fourths of a pound of butter (one and one-half cupfuls); two teaspoonfuls of ginger; boil together for five minutes. When cool add enough flour, using one teaspoonful of baking powder to each cupful, to make a stiff dough. Roll very thin and bake quickly.

Sugar Cookies.—Cream one cupful of butter and three cupfuls of sugar together, add three well-beaten eggs, one cupful of milk in which one teaspoonful of soda has been dissolved, one small nutmeg grated, and flour to roll. One may vary this recipe by adding grated orange or lemon peel, nuts, or seeds of various kinds. This makes a large quantity, but they are so good that they do not last long. The secret of good cookie making is to use as little flour as possible in rolling out. By chilling the mixture well, the rolling out is very easy.

Now the Blind Can Hear Print

Originally invented in England about ten years ago by Dr. E. E. Fournier d'Able, but more recently developed by an organization of technical men and business experts of this country, a device known as the optophone has been perfected by means of which, for the first time in the history of the world, the blind may enjoy at their leisure the full benefits of the world's printed word in books, magazines and newspapers. The photograph shows it being used by Miss Margaret R. Hogan, who was the first blind woman to graduate from Columbia university. In the optophone light projected by a tiny photograph lens streams through five rows of oblong perforations in a revolving disk and is reflected back and transformed into sound by means of selenium cells.

Gift for National Woman's Party

Miss Lella Taber, sculptress, standing beside the bas-relief of Susan B. Anthony, pioneer suffragist, which she has presented to the National Woman's party. This work of art will be installed in the national headquarters of the party, which overlooks the capitol of the nation.

He who works when he does not have to work, will not have to work when he does not want to work.

For your daughter's sake, use Red Cross Ball Blue in the laundry. She will then have that dainty, well-groomed appearance that girls admire.—Advertisement.

A Prominent Nurse Tells Her Experience

Something Worth Reading
 Athens, Tenn. — "I suffered from chronic leucorrhoea for six years and when I had the 'flu' in 1910, my cough grew worse. I even developed asthma. I suffered terribly and was sure I had consumption. I had a very bad cold, could not sleep at night and had pain in my breast and shoulders. Also my arms would be numb. I began taking Dr. Farrow's Golden Medical Discovery and was cured of my cough. I worked all last winter—was up at night with my patients and did not have a cold all winter. Would ask all who suffer from weak lungs or throat trouble to try Dr. Farrow's Golden Medical Discovery."—Mrs. W. C. Carter, Route 2.
 Obtain the Discovery in tablets or Syrup at your nearest drug store or send 10c to Dr. Farrow's Invalid Hotel in Buffalo, N. Y., for trial pkg., or write for free medical advice.
