Luther, after his vain attempt 10 reform the church from the inside, went to the home which led him to the Catholic Church, and proceeded under Gild to reform and cleanse the church by setting forth a model of church work that now has gone to generations through the generations.

Luther was to receive (Rousseau) his writings before the religious pol-

icy of the country. The English, Spain, Sweden, France, and Italy are the six countries by which dis- tinguished the Moslem Age.
