AYER'S PILLS.

FOR ALL THE PURPOSES OF A

FAMILY PHYSIC.

THERE has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical *pill*, but not easy to make the best of all *pills*—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These *pills* produce no irritation or pain, unless it arise from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by these, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Listlessness, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of diseased action in the liver. As an aperient, they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required.

They have also produced some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; but unnecessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine.

AYER'S CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

THIS remedy has won for itself such notoriety from its cures of every variety of pulmonary disease, that it is entirely unnecessary to recount the evidences of its virtues in any community where it has been employed. So wide is the field of its usefulness, and so numerous the cases of its cures, that almost every section of the country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs which are incident to our climate. And not only in formidable attacks upon the lungs, but for the milder varieties of COLDS, COUGHS, HOARSENESS, &c.; and for CHILDREN it is the pleasantest and safest medicine that can be obtained.

As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best that it ever has been, and that the genuine article is sold by—

G. W. Ross, Athens; A. Wall, Cleveland; Bell & Mayes, Calhoun; and by all dr gists and merchants everywhere. Jan 1-6-852

DR. JOHN BULL.

SOMETHING

NEW AND VALUABLE

The most powerful King on the face of the globe now reigns supreme in the American Republic. The power of the crowned heads of Europe sink into insignificance when compared to our American King.

European Kings employ the power vested in them to increase the riches of the rich and lordly, and to reduce to greater misery and degradation, the poor and dependant. our American King goes forth with equal willingness to the lordly mansion and the humble cabin, ready alike to administer relief, and to offer health and happiness to the lofty and *lowly*, the rich and the poor.

DR. JOHN BULL'S

AMERICAN KING OF PAIN

Is the TENTH WONDER OF THE WORLD, and the greatest blessing ever offered to afflicted humanity; to the suffering millions, the theme can say, relief is at your command. You have only to use this magical remedy. All those who still suffer, and will not accept the proffered Balm, deserve not the pity of their families.

This wonderful medicine, during the brief period since its introduction, has carried happiness to the hearts of thousands, and made life a charm to many who heretofore regarded it only as a painful and miserable existence.

To the winds with all Liniments, Embrocations, Pain Killers, and Pain Extractors, and let millions of glad tongues proclaim the merits of the great "American King of pain," a preparation composed solely of vegetables and roots, produced by America's own rich and bounteous soil.

We would ask the Ladies, who are always competent judges of what is and what is not a valuable family medicine, to do us a special favor by giving the King of Pain a single trial, and if satisfactory, exert their influence in its behalf, recommend it, sell and offer it. And see that it is used by their afflicted neighbors. The Ladies are always charitable, and when they induce their suffering friends to use this really valuable medicine, they will be doing a work of benevolence that they can well be proud of. This is a powerful and truly-magical remedy for all external diseases, sores, swellings, burns, &c., and for many internal afflictions is a certain cure, yet it is perfectly harmless, and incapable of producing the least injurious effects in the most delicate cases or the weakest constitution

It is entirely useless to follow the old and worn-out system of publishing to the public thousands of certificates of wonders performed by this medicine. It costs but twenty-five cents to try it, and let Bull stakes his well earned reputation on the King of Pain doing all and more than he claims for it.

We would ask have you the Rheumatism or Gout; these are no pleasant companions, and we know that you would like to drive them away as soon as possible, then use

"BULL'S KING OF PAIN."

Would you be cured almost immediately of Bowel Complaint, Dysentery, Summer Complaint, Cholera morbus, Cramp, Colic, Head Ache, Tooth ache or any other ache or pain, the remedy is simple and the cure certain,

USE THE GREAT KING OF PAIN.

Would you have your Sores, Swellings, Cuts, Burns, Scalds, Bruises, or any other wounds healed, we repeat it, use the

MAGICAL KING OF PAIN

Would you be cured of Scald Head, Stiff Joints, Sore Throat, Neuralgia, Sore Breast, Lumbago, Tetter or Ring Worm, Salt Rheum, Bites of Poisonous Insects, Chapped Hands, and all other Sores, either dry or running, we say again and again YOU NEEDS it is Dr. John Bull's "KING OF PAIN."

Would you be cured of King's Evil, Cancer, Tumors, Eruptions, or any disease of the Skin caused by impure blood, then use Dr. John Bull's Sarsaparilla internally, and the King of Pain externally, nothing can be more certain than a speedy and effectual cure.

DR. JOHN BULL'S

SARSAPARILLA.

This medicine, when used according to directions, will cure, without fail:—

Scrofula,
or King's Evil,
Cancers, Eruptions
of the Skin, Erysipelas,
Tumors, Chronic, Sore Eyes,
Ring Worm or Tetters, Scald Head,
Rheumatism, Pains in the Bones or
Joints, Old Sores and Ulcers, Swelling of
the Glands, Syphilis, Dyspepsia, Salt Rheum,
Diseases of the Kidneys, Diseases arising from the
use of Mercury, Loss of Appetite, Pain in the Side and
Shoulders, General Debility, Lumbago, Coughs, Colds,
Dropsy, Jaundice, Costiveness, Broncitis, Weakness of
Chest, Sore Throat, Pulmonary affiletions, and all other
Diseases tending to produce Consumption. Liver Complaints, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Head-ache, Night Sweats, Exposures, or Imprudence in Life, Chronic constitutional Diseases, and as a Spring and Summer Drink, and Generator for the System, as a Gentle and Pleasant Purgative, it is superior to Blue Lick and Congress Water, Salts, or Sedlitz Powders.

It is a remarkable fact, that among the hundreds of eminent physicians who have examined the recipe by which Bull's Sarsaparilla is prepared, not one has condemned it, but all approve it, and commend it in the highest terms. Many physicians express themselves strongly in the belief that it is decidedly the best preparation of Sarsaparilla that has ever been offered before the public. Although there are many physicians who feel a reluctance to having their names appended to the recommendation of any particular remedy, notwithstanding they may approve of it in the highest degree; there are others who frankly yield their support in favor of a remedy which they know is capable of doing so much good in an afflicted community. As an evidence, read the following from old and respectable physicians, of high standing in the community in which they live.

TESTIMONY.

☞ Testimony like the following renders superfluous all comments on the efficacy of Bull's Sarsaparilla. From Dr. L. P. Yandall, Professor of Chemistry in the Louisville Medical College: I have looked over the list of ingredients composing John Bull's Extract of Sarsaparilla and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases, to which it is applicable. L. P. YANDALL M.D.

LOUISVILLE, June 9, 1849.

What Dr. Pyles, physician by appointment to the Louisville Marine Hospital says of Bull's Sarsaparilla:

LOUISVILLE, March 20, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and I believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article now in use. M. PYLES, M.D.

Resident Physician Louisville Marine Hospital

Better testimony than was ever offered in favor of any medicine. Rev E. W. Sehon—Rev E. Stevenson:

LOUISVILLE, May 20, 1849.

We have used John Bull's Sarsaparilla, and have known it to be used, with entire satisfaction; and we have no hesitation in stating our belief that it is a safe and valuable medical compound, and calculated to produce much good and relieve much suffering; and therefore would cheerfully and most earnestly recommend it to the afflicted.

(Signed) E. W. SEHON,
E. STEVENSON.

We would earnestly invite all persons who are suffering with any of the ills that flesh is heir to, to call on Dr. John Bull's agent and get a copy of Bull's Family Journal gratis; and for the sake of humanity we hope that a single individual will not be found unwilling to give Bull's Sarsaparilla a trial after reading and recollecting, at the same time, that it is impossible for the Doctor to publish the tenth part of the number of certificates of astounding cures performed by his Sarsaparilla. The amount of testimony voluntarily showered on Dr. Bull's Sarsaparilla, from well known and distinguished individuals, both in public and private life, has been perfectly overwhelming.

Singer's Sewing Machines.

THESE machines have long sustained the highest reputation in the United States. The first prize, a Gold Medal, has recently been awarded to them at the great Exposition at the Palace of Industry in Paris, and thus they have the World's verdict of superiority.

Great improvements have just been added, so that they run without noise, with ease to the operator at double the ordinary speed, so that

TWICE AS MUCH WORK IS DONE IN A DAY.

The greatest clothing and shoe manufacturing establishments in the country use these machines exclusively. They are competent to perform every sort of work in the most perfect style.

As there are very great numbers of inferior or entirely worthless sewing machines of the Lerow & Blodgett, Avery, Wilson, Grover & Baker, and other patents, which have been sold, but cannot be used to any advantage, we hereby offer to receive all such machines, and also unimproved ones of our own manufacture, *in exchange for new and latest improved Machines*, on liberal terms. All old machines thus obtained by us will be broken up and destroyed. For particulars apply by letter or personally at our New York Office.

N. B.—Local Agents wanted to make sales of our improved sewing machines. To persons properly qualified for the business, a rare opportunity for profitable and pleasant employment is offered.

A few short extracts from Letters, Testimonials, &c.

"I have used Jacob's Cordial in my family, and have found it a most efficient, and in my judgement a valuable remedy."

HON. HIRAM WARNER,
Judge of Supreme Court, Georgia.

"It gives me pleasure in being able to recommend Jacob's Cordial—my own personal experience, and the experience of my neighbors and friends around me, is a sufficient guarantee for me to believe it to be all that it purports to be, viz: A SURE FRIEND'S REMEDY."

Hon. W. H. UNDERWOOD,
Formerly Judge of Superior Court, Cherokee Circuit.

"I take great pleasure in recommending the invaluable medicine to all afflicted with bowel diseases, for which I believe it to be a sovereign remedy—decidedly superior to anything I have used by me. A. A. GUTHRIE,
Deputy C. Mast. of the Grand Lodge of Georgia.

"I have used Jacob's Cordial in my family, and like, with all I hear about it as a remedy by those who have tried it, induces me to believe it stands at the head of every preparation of the kind, and I would recommend it as one in the disease for which it is recommended.

MRS. G. DEMERE,
Cashier Bank of the State of Georgia, Griffin.

"If there is any credibility in human testimony, Jacob's Cordial must stand preeminent above all other preparations for the cure of Bowel Diseases. From the mass of testimony in its favor coming from all quarters, it must be very far in advance, as a curative agent, of most if not all other 'patent' preparations."

A. FLEMING, Cash. Marine and Fire Ins. Bond, Griffin.

"Whilst Napoleon is traveling into celebrity as fast as Bonaparte pushed his columns into Russia, and gaining commendation wherever used."—*Georgia Jeffersonian, May 19th, 1855.*
