

THE USUAL QUERY.

The Answers-to-Queries man had been sitting at his desk absorbed in thought.

"Are you the man that answers the questions and decides the disputed points?" he said.

"That's what I am supposed to do," replied the man at the desk, "though, of course."

"You're the one I want to see," interrupted the other, fixing his glittering eyes upon him.

Quit Coughing

Is easy enough, if you take Dr. Bell's Pine-Tar-Honey. It cuts the mucus and allays the inflammation.

DEEP DIVING.

A remarkable diving feat was last year performed by Mr. Charles D. Meyers, of Cleveland, Ohio, who succeeded in descending 225ft. in his diving machine.

A diver named Hooper made seven descents to a depth of 204ft., or thirty-four fathoms, in connection with the recovery of the cargo of the ship Cape Horn.

The British Admiralty limit their divers to 120ft., and the leading firm of Siebe, Gorman & Co., London, limit good divers to 140ft., as a rule.

Have You Been Coughing?

A day, a week, a month, a year? Dr. Bell's Pine-Tar-Honey will cure that cough.

ALL HE GOT FROM THE SUIT.

An English author, now both rich and famous, tells how he first earned his sixpence.

"Well, then, look! That is all I get of it!" and he pointed grimly at the sixpence.
