

How Old She Looks

Poor clothes cannot make you look old. Even pale cheeks won't do it. Your household cares may be heavy and disarrangements may be deep, but they cannot make you look old. One thing does it and never fails.

It is impossible to look young with the color of seventy years in your hair.

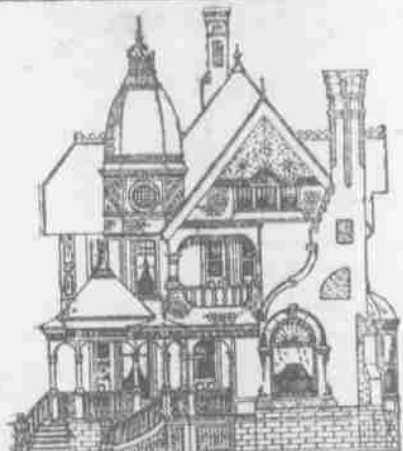

Ayer's Hair Vigor

permanently postpones the tell-tale signs of age. Used according to directions it gradually brings back the color of youth. At fifty your hair may look as it did at fifteen. It thickens the hair also; stops it from falling out; and cleanses the scalp from dandruff. Shall we send you our book on the Hair and its Diseases?

The Best Advice Free. If you do not obtain all the benefits you expect from the use of the Vigor, write the doctor about it. Probably there is some difficulty with your general system which may be remedied. Address, DR. J. C. AYER, Lowell, Mass.

THE JUSTICE OF SOLOMON.

In ancient times a man upon a spree loud on the city street sang "Sweet Marie!" The sound annoyed the king and thus he spoke: "Bring forth the drunken wretch that thus doth break My laws and those of harmony as well." 'Twas quickly done and he was bade to go. Wherefore his jug was of so large a size, And why he vexed the people with his cries. "I drank," replied the culprit bowing low To kiss the mighty king's superior toe, "To quench a thirst that sorely did oppress; Teen sang with joy at my superb success." "Ah!" cried the king, "This earth were heaven indeed! Did worthy effort always thus succeed, But, really, know you not that I have said: 'Look not upon the wine when it is red?'" "Oh yes, Your Royal Nibbs," was his reply, "I sought that chunk of wisdom on the fly. But know, Most Sceptic One, I'm color blind And can't tell red wine from the other kind. For me it hath no color in the cup, And I propose solemnly to tank up. And know not, care not, one coid copper cent, Whether my nose be red or all the colors bent!" "I see your point, it's telling force I own," Replied the monarch in a kindly tone, "So for your drunk I grant you pardon free, But give you ninety days for singing 'Sweet Marie!'" —Our Devil.

James Roberson, of Sequachee, attended Chancery Court this week. Capt. Roberson has many warm friends in this county who are always glad to see him.—Pikeville Banner.

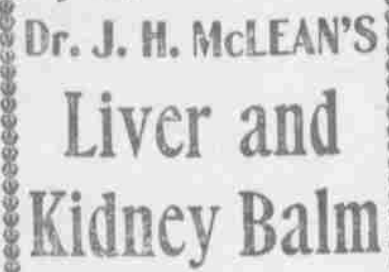

The R. W. S. is gaining rapidly in strength and popularity in this section. It now numbers in its ranks many of the leading men of the community. The convalescence at Bridgeport just elected R. C. to fill the vacancy caused by the decease of D. W. Joyner.—South Pittsburg Republican.

Mr. D. K. Maxwell, of Whitwell, was in town Tuesday. He is an old acquaintance whom we knew in Jasper. He with his son has started a bakery in Whitwell and is ready to furnish good bread, cake, etc., at short notice. See their ad in another column. **Blood and Nerves** are very closely related. Keep the blood rich, pure and healthy, with Hood's Sarsaparilla and you will have no nervousness.

Hood's Pills are best after-dinner pills, aid digestion, prevent constipation. Overwork, either physical or mental, will produce weakness and loss of energy. W. A. Turner, of Victoria, was down Saturday morning with his badges to be printed for the Sardis Sunday school. He had some printed that were unique—dark blue ribbon with orange chrome lettering. Mr. Turner has recently returned from Chickamauga, where he managed to break even, luckily.

Albert Lewis brought down the ribbon for the C. P. Sunday school, Whitwell, Saturday on his wheel. At the Jones place about a mile and a half above here he had a puncture and the want of jack knife obliged him to push his wheel the rest of the way. However, he repaired it all right at the News-Banner office and went merrily on to Jasper where he took in the Republican convention.

Rev. Carron, of Jasper, came up Sunday and filled the appointment recently published for him. He talked along denominational lines and was accorded the best attention throughout both the morning and evening discourses. The local congregation will be glad to know when he can visit Dunlap again.—Tribune.

While traveling over part of our county we were glad to see our farmers making their lands highly productive by using commercial fertilizers on the thin soils of their farms which were a few years ago considered unfit for the cultivation of wheat. The yield on most of the farms rarely reached ten bushels per acre. Now on the same farms the yield is in many places 15 to 25 bushels an acre. No better illustration of this fact can be given than the benefits which are now being derived from the application of commercial fertilizers upon the thin soils of this county.—Pikeville Banner.

Pea picking is the order of the day in this vicinity. Let's all turn out to the Convention next Saturday. On August 19th and again on August 26th the News-Gazette sent out statements to each delinquent subscriber notifying them of the date to which their subscription was paid and requesting them to send at or a part of the amount due. Up to date we have received but \$1. Now there are over four hundred others who owe us equal sums, or more, and we want the money. We have waited long enough.—Dayton News-Gazette.
