ANOTHER VICTIM IS TAKEN FROM WRECK OF FALLEN WALLS

RELATIVES OF ALEX COOK BELIEVE HIM TO BE AMONG THE KILLED WORKMEN.

WALLS MUST BE DESTROYED

City Building Inspector Notifies Property Owners That This Must Be Done—Relatives of Dead and Injured Men File Damage Suits.

Special to The Herald. NASHVILLE, Tenn., March 17.—The body of another victim of Wednesday's catastrophe was taken from the wrecked Fall building by workmen shortly after 7 o'clock this morning. The friends and relatives of Alex Cook, white, who left home Tuesday morning with the avowed intention of securing work about the building, are more firmly convinced than ever that his body will be found in the ruins. They claim that the description given by young Edwin Hart of the white man seen near him just before the walls fell tallies with the description of Cook as given by his wife. He has not been heard from since he left home Wednesday morning.

The city building inspector has given notice to property owners that all the walls of the burned buildings must be razed. Several suits for damages have been filed by families of the dead and injured.

MT. PLEASANT TO HELP THE HOSPITAL

PEOPLE OF PHOSPHATE CITY RALLY TO THE NOBLE CAUSE.

At the Friday meeting of the Martha Adams Circle of the King's Daughters the ladies voted to co-operate with the other circles of the county to establish the Maury hospital and to devise plans for securing their active co-operation in the end that Maury county may have a well equipped up-to-date hospital for the destitute sick.

On Monday afternoon at the Y. M. C. A. rooms a committee of men met a committee of the King's Daughters to formulate plans for the participation of the citizens of Mt. Pleasant in this great charity work. At this meeting Prof. J. A. Bostick was elected chairman of the Mt. Pleasant standing committee for the hospital and Mrs. E. Dan Smith was elected secretary.

Committees were appointed to represent local organizations and churches as follows:

- Knights of Pythias—J. A. Bostick, Ernest Erwin and J. P. Warnock.
- Odd Fellows—W. D. Cooper, Ernest Kittrell and A. L. Ward.
- Modern Woodmen—C. A. Brownlow, Felix Ellett and George Adams.

VETERANS WILL GO TO ANNUAL REUNION

OLD CONFEDERATES EXPECT TO MEET OLD FRIENDS AGAIN AT LITTLE ROCK.

Many of the surviving heroes of the Civil War will journey this summer to Little Rock, Arkansas, where the annual reunion of Confederate veterans will be held this year. The legislature of that State has granted the old soldiers the use of the capitol building, in which the headquarters of the soldiers will be located. The business sessions of the reunion, however, will be held in the auditorium, which is only two blocks away.

The various State divisions are to be located in different rooms of the old state house, which will make an ideal arrangement. This information has just been given out by James M. Stewart, chairman of the Arkansas division of the headquarters committee.

A number of the remaining Confederates in Maury county have signified their intention of going to this reunion, and it is certain that Maury county will have an excellent representation at the Arkansas capital.

KING'S DAUGHTERS EXPRESS THANKS TO THEIR LOYAL WORKERS

CARD OF APPRECIATION ISSUED BY THE LOCAL CIRCLE.

TO CONTINUE THE CAMPAIGN

Declare Purpose to Be to Secure Entire \$20,000 Asked for Before Stopping—Prayers and Help of People of County Are Solicited.

Members of the King's Daughters at a recent meeting expressed appreciation of the faithful work done by the committees to secure the funds for the proposed hospital and resolved that the campaign would be continued until the entire \$20,000 was secured. The statement issued by the King's Daughters follows:

"At the recent regular meeting of the King's Daughters a resolution was unanimously adopted, stating their desire to express through the columns of the press, their appreciation of the loyal, unselfish and intelligent work in raising the hospital fund, of the Chairman, the Rev. E. B. Andrews, and the nine soliciting committees. The King's Daughters realize that without the devoted and active assistance of the chairman and the committees led by Messrs. Raymond Adkisson, J. T. McKnight, J. M. Dedman, Robt. Harlan, J. S. Coffey, W. P. Boyd, Fred Gamble, H. P. Figuers, and Charles H. Sharp and Norman Dale, as well as the co-operation of those working with them, the inspiring result of \$13,000 in ten days would have been impossible, and collectively, as well as individually the King's Daughters are deeply appreciative.

"The soliciting of funds will be continued until the aggregate amount of \$20,000 is raised. In the meantime we invite the interest and the prayers of the good people of Maury county in advancing this noble charity, which must prove an inevitable blessing to the community, and by its reflex influence, redound to its credit and stimulate among us civic pride and a spirit of fraternal affection.

"THE KING'S DAUGHTERS." At the meeting on Thursday afternoon it was decided to incorporate the King's Daughters and apply for a charter. The order will then be in position to acquire and hold property as an incorporated body. It was also decided that a certain portion of the hospital funds would be used for building and equipment and that a portion would be set aside as an emergency fund.

NEARLY THIRTEEN THOUSAND.

Three Hundred Dollars Comes in Friday Morning to Chairman E. B. Andrews.

The committees which reported at noon on Friday added three hundred dollars to the fund. This makes a total of \$12,900. The workers are confident that by April 3, to which date the campaign has been extended, that the remaining \$7,000 can be easily secured. The campaign headquarters in the Bethel Block will be kept open from 12 to 1 o'clock each day to receive subscriptions.

HORSES BECAME FRIGHTENED

Rev. Mr. Ussery, Driving in the Cemetery, Suffers Injuries in Right Side. Mrs. Fly Hurt in Runaway on North Main Street Just Before Noon.

(Monday's Daily.)

Mrs. E. C. Fly, a prominent resident of Santa Fe, was thrown for her buggy in a runaway accident this morning about 11:30 o'clock, at the intersection of North Main and Fifth streets, near the bridge over Duck river. Mrs. Fly was removed to the nearby residence of Mr. Sampson on Fifth street, where Dr. Otey J. Porter dressed the bruises. She was bruised considerably about the left elbow and hips, and a long gash was cut over her left eye, supposedly when she struck the ground.

Mrs. Fly had driven into Columbia, and her horse became frightened on North Garden street, running down Fifth as far as Main, when he made an effort to turn up North Main street toward the square. The buggy was turned partly over, and Mrs. Fly was thrown to the ground. The buggy was considerably damaged in the smashup.

Mrs. Fly, it is thought, can be removed to her home at Santa Fe late this afternoon.

CITY COUNCIL ASKS LEGISLATURE TO PASS THE SPECIAL CHARTER

FORM OF CHARTER APPROVED BY CITY ATTORNEY IS SENT TO MEMBERS.

BOARD IS TO GRANT FRANCHISE

Alderman Dedman Has Amended the Sidewalk Ordinance to Allow City to Give Out Contracts for Their Construction.

The Board of Mayor and Aldermen at its adjourned meeting held Thursday night, a resolution was passed requesting the representatives of Maury county in the legislature to introduce a bill providing a special form of charter for water, gas and electric light companies, in counties of not more than 40,000 and less than 1,000 in population, according to the last federal census, or any subsequent federal census. The proposed act has been drawn up by the attorneys representing the city and the water and light company, and after the preamble, gives the charter which it desires to have prescribed. The charter provides for the organization and running under one firm name, a corporation having for its purpose the furnishing of electric lights, gas and water, to the people. This charter is to apply only to cities located in counties having the population above indicated.

George T. Hughes, Sr., one of the attorneys representing the city, after drawing up the resolution which was later passed, in connection with attorney W. S. Fleming for the water and light company, stated in a speech that he had approved the charter which was proposed, and that there were certain sections which he considered especially to the benefit of the city. These were the sections which prohibited the company's conducting its plant in such a manner as to result in annoyance to the people of the city; that it should construct, maintain machinery sufficient to supply the people and the city with an adequate, full and competent supply of pure and wholesome water, and plenty of electric light and gas; and that it was not to conduct its affairs in any way to interfere with the police or the officers of the city in the discharge of their duties. The board of Mayor and Aldermen is to prescribe the conditions under which the firm may operate.

The real fight according to Mr. Hughes and Mr. Fleming, will come up when the new corporation, acting under the act which they hope to have passed, shall ask the city for a franchise under which they may do business. A copy of the bill will be furnished to Representatives Galloway and Lipscomb and to Senator Brown, who will be requested to push the passage of the measure.

Chairman Chaffin, of the pavement committee reported to the board that they had decided to allow the Century Club and the Elks Club, at their own expense, to construct a crossing over the street in front of the Century Club building on West Seventh. City Attorney Coffey presented a resolution which was passed which authorized W. J. Towler to collect 1910 taxes in certain back tax suits now pending in addition to the taxes of 1907, 1908, 1909.

Alderman Dedman introduced an amendment to the sidewalk ordinance giving the city the power to let the contracts for building pavements, instead of the individuals before whose property the pavements are to be constructed. In placing this resolution before the board, Mr. Dedman said that the new amendment would make the pavements uniform in construction and material, and in his opinion would make much better and more durable pavements.

CRITICISES TROOPS OF UNITED STATES

GERMAN MILITARY EXPERT, COL. GAEDKE, RIDICULES AMERICAN ARMY.

BERLIN, March 20.—Col. Gaedke, Germany's best known military expert, in an article in the Tageblatt on the American operations on the Mexican border, indulges in erudite, critical comment on the American army, which he has never seen. He says it is an unorganized, untrained, undermanned force, whose fighting efficiency is outstripped by even England's much maligned territorial volunteers.
