COLUMBIA, TENNESSEE, FRIDAY, JULY 2, 1920

ESTABLISHED IN 1848

LEAGUE NATIONS PLANK SLIGHTLY AMENDED; IS ADOPTED BY DEMOCRATS

PLATFORM COMMITTEE WOULD MAKE TREATY CLEARER AND MORE SPECIFIC.

WALSH AMENDMENT ADOPTED

Proposed Reservations Are Merely Interpretative and Are Not Unacceptable to President Wilson, Is Indication This Morning.

(By United Press.)

SAN FRANCISCO, July 1.—The resolutions committee adopted the league of nations plank, putting the party on record as favoring the ratification of the treaty without impairing its essential integrity, but with an amendment by Senator Walsh, of Massachusetts, stating that the party does not oppose any reservations which may make the pact clearer and more specific on the American obligations and sovereignty under the league.

The amendment offered by Senator Walsh was adopted by a vote of thirty-two to eighteen after four hours of heated debate, during which Walsh made an impassioned appeal to the committee.

The action was a complete surprise and caused a sensation among leading democrats who expected to adopt the administration plank without amendment.

Senator Walsh first urged a complete substitute for the so-called Virginia plank. Senator Walsh holds that the adoption of his amendment justified the democratic senators who voted for the Lodge reservations.

The session at which the fight over the league of nations plank occurred was marked by unusual efforts of Senator Glass, chairman of the resolutions committee to keep secret the deliberations and actions of the committee. Numerous guards were stationed about the committee room, and all persons not members of the committee were ordered to remain fifty feet away from the doors. Chairman Glass pledged the committee to absolute secrecy until the work has been completed and the platform ready for the convention.

When the committee met again this morning the liquor and Irish planks remained to be decided. As drafted by the sub-committee, the platform was silent on prohibition.

(By United Press.)

WASHINGTON, July 1.—The league of nations plank adopted by the resolutions committee of the democratic convention is not unacceptable to President Wilson, it was indicated in administration circles this morning.

The plank calls for the treaty's ratification without reservations which impair its essential integrity, but puts the party on record as opposed to reservations which make the treaty "clear and more specific."

Officials close to President Wilson said that the President at no time since the beginning of the treaty fight had been opposed to interpretative reservations which the plank calls for as they interpret it.

Mass Meeting To Discuss Baseball

There will be a mass meeting at the county court room tomorrow afternoon at 4 o'clock of all of the citizens who are interested in the organization of a baseball team for Columbia. Luther Cook, manager of the Lawrenceburg team and former star of the American league having played with

TRUCK SERVICE FROM LEWISBURG STARTS ON TIME

ON ITS INITIAL TRIP THIS MORNING ARRIVED HERE TEN MINUTES BEFORE SCHEDULE.

CENTREVILLE LEFT PROMPTLY

Morning Papers Delivered on Streets of the City Shortly After Seven O'Clock—Morning Mail Dispatched on Train to Spring Hill.

Columbia's new mail truck service from Lewisburg started off today most auspiciously. The truck arrived with the southbound mail at ten minutes to 7 o'clock when it was due. The Nashville morning papers were being delivered on the streets by 7 o'clock this morning.

Promptly on the arrival of the truck and the working of the mail the truck to Centerville by way of Williamsport was dispatched. It arrived in Centerville by 9 o'clock. The truck from Lewisburg came by Culleoka and Glendale without mishap.

Not only does this line serve all of Columbia and its routes, Glendale and Culleoka and their routes, but the mail for Spring Hill and Carter's Creek is dispatched on the accommodation and arrives in time to go out over their rural routes. Of course there will be some disappointment for a few days as all of the mail for the county will not be routed so as to come on Train No. 1 to Lewisburg and via the truck, but that will be straightened out in a few days.

Both of the carriers, that from Lewisburg and to Centerville will be equipped to convey passengers. There is no schedule for the return trip to Lewisburg, as no mail is carried back, so that Cy Young, who has the contract, can select the hour that will accommodate the largest number of passengers.

GOVERNOR COX IS NOT WORRIED

OHIO EXECUTIVE WATCHES POLITICAL DRAMA AT FRISCO FROM HOME IN DAYTON.

(By United Press.)

DAYTON, O., July 1.—Governor Cox, who is at his home here watching the political drama being enacted at San Francisco, appeared unconcerned as to the outcome of the convention.

If the Governor had any feeling of anxiety, he has successfully masked his emotion. He was down town early this morning, directing the work of getting out the edition of his daily paper.

ORDINANCE MAY REQUIRE TAKING ANALYSIS WATER

CITY BOARD WILL HEAR REPORTS ON WORK DONE ON COLUMBIA WATER PLANT.

SEWERAGE QUESTION DISCUSSED

Very Little Business Outside of Regular Routine Expected to Come Up at Meeting of Council—Mayor May Make Report.

Very little business outside of the regular routine will come before the board of mayor and aldermen, meeting in regular session Friday evening. It is not unlikely, however, that the question of Columbia's water supply will again be brought up, and it is entirely possible that an ordinance will be passed on first reading, requiring that the city reservoir and filtration plant be cleaned at stated intervals under the direction of the city health officer, and also that samples of water be taken for analysis at stated intervals, as requested in a resolution passed recently by the Kiwanis Club.

It is expected that Manager J. S. Robinson, of the Columbia Water & Light Company, will appear before the board to make his report concerning the work that has been done by the Water & Light Company since the last meeting of the board. Mr. Robinson will be in a position to report that the reservoir has been cleaned, and that new sand has been placed in the filtration plant, and that an analysis by Dr. Olin West, secretary of the state board of health will show that the contamination noted several weeks ago has been removed, and that the water is fit for human consumption.

The question of sewerage will also be brought up, it is expected. Attention will be called by Alderman Louis Barker to the fact that some residents of Columbia have connected sewers with an open well. He will contend that this is in violation of both state and city law, and seek to have it remedied.

It is expected that Mayor Cherry will make a report on the work of the police department, calling special attention to the large number of arrests for speeding during the past month.

CONFEDERATES WILL MEET AT COURT HOUSE

GENERAL JOHN L. JONES REQUESTS ALL VETERANS IN COUNTY BE THERE 9 O'CLOCK.

All members of Wm. Henry Trousdale Camp and all Confederate soldiers in Maury county are requested to meet Dr. J. G. Williamson, the commander, at the County Court room at 9 o'clock Saturday morning to get their badges and march to the High school building to the exercises.

ESSEX SWIMS DUCK RIVER, LATEST TEST

BIG CAR PLUNGES THROUGH NEARLY FOUR FEET WATER WITHOUT HITCH.

"If the Essex had a few days longer to grow wings, it could fly," said Colonel William Fry this morning, following the latest stunt performed by this remarkable car, when on yesterday "Wild Man" Matthews swam the Essex across Duck river at the Sowell ford. At this place the water is between three and four feet deep, and the Essex made the trip across the river and return without a hitch. The only inconvenience was the fact that the Wild Man got his feet wet when the water poured up into the body of the car.

Since the first of the present "Watch the Essex Week" this car has been put through all manner of seemingly impossible feats, climbing the twenty per cent grade on the Williams hill on the Santa Fe pike in high gear, walking up the court house steps, pulling to the top of reservoir hill, and running for twenty-one and one-half miles on one gallon of gasoline, toning around and hitting 'em off at the rate of a little better than a mile per minute.

Those who have not actually witnessed these remarkable performances find it hard to believe them, but sufficient evidence has been secured of each test to make it official.

About the only thing the Essex has not yet done is to take wings and fly—and the "Wild Man" is becoming more and more convinced that this could be done with a little practice.

LINE OF MARCH VETS OF SOUTH NEXT SATURDAY

GEN. JOHN L. JONES, COMMANDER, ISSUES ORDER FOR GUIDANCE OF THE SOLDIERS.

PROGRAM FOR DAYS EXERCISES

Speaking, Parade, Dinner, Trip to St. John's Church and Dance Will Make Up the Festivities of the Occasion—Autos Wanted.

In General Order No. 1 Gen. John L. Jones, commanding the second brigade of the Tennessee Division, announces the line of march for the veterans of the South in the reunion here on Saturday. The order is as follows:

"General Order No. 1.
"Line of march and parade for reunion Columbia, Tenn., July 3, 1920. Form at the High School with the band in front followed by Major General J. P. Hickman, commanding the Tennessee Division and his staff, Brigade Generals and their staffs, commanding the first and third brigade, followed by Company B, under command of Captain Griffin, then Troop A under command of Captain C. L. Temple; followed by Troop C, commanded by Capt. J. R. Sadler, then all soldiers not in any company nor as organized camp under Captain M. B. Tomlinson. Closed by the William Henry Trousdale Camp, commanded by the commander of the camp, Dr. J. G. Williamson.

Line of march—Go north on Atheneum street to Seventh street, then down the south side of Seventh street east and around the court house, then back up the north side of Seventh street to Atheneum street, then to the High School.

By order of
"J. L. JONES,
"Commanding Second Brigade Tenn. Division.

"By E. J. Davis,
"Adjutant and Chief of Staff."

The troops will be met at the station with automobiles on their arrival from Nashville and taken to the High School where the exercises will be held at 10:25 o'clock. The program there will be rendered as follows:

Presiding officer, Gen. John L. Jones.
Address of welcome, J. I. Finney, editor of The Herald.

Response, Gen. Evander Sheppard, of Shelbyville.
Poem, John Trotwood Moore, state librarian.

Delivery of pictures of Robert E. Lee, donated by Maury National Bank to local veterans, Dr. John H. Barber. Immediately after the conclusion of the exercises the parade will start and after that dinner will be served at the High School. After dinner the veterans will take autos for a trip to St. John's church and returning go to Oliver's Garage where a dance of the sixties will be given.

SCHOOL EXPENSES OF PAST QUARTER

TOTAL OF \$9,691.24 EXPENDED FOR THE MONTHS OF APRIL MAY AND JUNE.

School expenses for the quarter ending June 30 were \$9,691.24 according to the report which Superintendent Graham will submit to the quarterly court at the July meeting. All but about \$2,000 of this sum was expended for teachers salaries which amounted to \$7,419.50. The next largest item was that of maintenance which called for \$859.41. Other items of expense were: County board of education, \$95; supervisors, \$67; census, \$2.28; attendance officer, \$100; janitors, \$120.50; fuel, \$512.34; insurance, \$266.49; heating plant, \$83.75; desks, \$56.

This is the lightest quarter of the year as it embraces the months of April, May and June and many of the elementary schools closed the last of March and nearly all during April, so that the accounts are light.

JUNIOR ORDER WILL INSTALL OFFICERS

Junior Order members will meet in their room in The Herald building at 8 o'clock tonight for the purpose of installing officers. All are expected to be present.

ANOTHER EFFORT TO CONSOLIDATE NINTH SCHOOLS

ADVOCATES OF MORE CENTRAL LOCATION FOR McDOWELL TO APPEAR BEFORE BOARD.

AT ITS MEETING ON MONDAY

Lively Scrap Is Expected When Issue Is Again Raised Over Placing the New Building Anywhere Besides, in Center of West End.

Another effort will be made at the meeting of the county board of education on next Monday to locate the McDowell school building at a point near the center of the Ninth district. For several years the question of placing the school nearer the center of the district or of consolidating it with the city elementary schools has been a live topic and bobs up at regular intervals.

Since the appropriation by the county court for a new building and the subscription of \$10,000 by the citizens another determined effort will be made to change the location. The advocates of a new location realize that if they sit by and permit a \$30,000 building to be erected it will mean an end of consolidation or a change in the location.

William E. Brittain stated this morning that a large delegation of citizens, whom he said, would represent a majority of the patrons of the school would appear before the board Monday and urge a changed location. It is expected that those who are for the West End location will also be present. Many have subscribed for the new building conditioned that it be located in West End. It is said on the other hand that there are many who did not subscribe because of the location but who will do so if it is changed to a more central point or consolidated with the city schools.

Much oratory is expected when the members of the county board meet.

MORE AUTOMOBILES FOR CONFEDERATES NEEDED

OWNERS OF CARS ARE REQUESTED TO GET IN TOUCH WITH DR.

HARDISON AT ONCE.

To insure a seat for all the old "Johnny Rebs" coming from Nashville Saturday morning to attend the Reunion of Middle Tennessee Veterans, more automobiles are badly needed, and owners of cars are requested to get in touch with Dr. Hardison at the Hardison Garage if they can place their automobile at the disposal of the committee for a short time Saturday. The boys in gray, are not as young as when they followed the "Stars and Bars of the lost cause" in '61, and transportation from the railway station to the high school must be provided for them; also for the trip to St. John's.

DESCENDANTS WILL OBSERVE BIRTHDAY

EIGHTY-FIFTH ANNIVERSARY OF THOMAS B. BROOKS TO BE MADE REUNION DAY.

Thomas B. Brooks, one of the oldest and best known citizens of the Hampshire section, will on next Saturday celebrate his eighty-fifth birthday by having a reunion of all of his descendants. Mr. Brooks has a large number of children, grand-children and some great grand-children and an effort is being made to have all of them present. It is expected that nearly a hundred relatives and friends will gather around the ancestral home to wish this honest old man many more years of useful service.

ENEMY ALIENS BEING DEPORTED

(By United Press.)
WASHINGTON, July 1.—Fifty more enemy aliens were deported during the week ending yesterday, it was learned today at the labor department.

JOSEPH M. HAYSE ANNOUNCES FOR REPRESENTATIVE IN THE PRIMARY

Lieut. Joseph M. Hayse, prominent young attorney, this morning made formal announcement of his candidacy for the house of representatives subject to the democratic primary on August 5, next. This action was forecasted several days ago when a petition numerously signed, was presented to Mr. Hayse asking him to make the race.

Those who know Joe Hayse are certain that he will inject life and pep into the campaign. He is well qualified for the place he seeks, having

"BLOCK M'ADOO" IS CRY OF RIVAL MANAGERS AS CONVENTION MET TODAY

GREAT AUCTION SALE OF JERSEYS HERE ON AUG. 11

BALLANFANT AND FARISS WILL SELL FIFTY HEAD, ALL OF THEM LOYALLY BRED.

PUBLIC'S FINE OPPORTUNITY

Offering Will Be On Second Day of Middle Tennessee Farmers Institute and a Large Crowd of Buyers Is Expected Here.

One of the biggest auction sales of pure bred Jersey cattle ever held in the Dimple will be that of the cows of Joseph Ballanfant and Mora B. Fariss on Wednesday, August 11 at the Middle Tennessee Experiment Station.

There are fifty head in the offering, consisting of registered cows, bred heifers and probably a few young bulls and heifers. The cows placed in the sale by Mr. Ballanfant are all bred to Jasper Tormantor. The heifers of this bull are beauties.

The cows and heifers of Mr. Fariss have been bred to Pogis 99 of Hood Farm 50th, a son of Pogis 99th and out of Sophie Torronoa's Damsel. There are in the offering two or three imported cows and the remainder are of the finest strains of Maury county products.

Many of the cows in this sale test over eight per cent and every one in the list will adorn and herd or prove profitable to any dairy.

Both Messrs. Fariss and Ballanfant have long been prominent in the breeding and development of Jerseys in Maury county. They not only know good Jerseys but they love the breed. Mr. Fariss has taken a special pride in the collection of the best and it is with keen regret that circumstances are such that he will have to dispose of his famous herd.

The sale will take place on the afternoon of the second day of the Middle Tennessee Farmers Institute here and with such a fine offering and large crowd as is expected some new records for Maury county Jerseys ought to be made.

COLUMBIA TAXES ARE UP TOMORROW

EQUALIZATION BOARD TO HEAR COMPLAINTS FROM WITHIN CORPORATION LIMITS.

Taxpayers of Columbia who desire to make complaints or have their assessments readjusted will be heard by the board of equalization tomorrow. The board has completed the ninth district outside of the city limits, and when the city is finished its work will be completed. The board plans to finally adjourn tomorrow evening. It will have been continually in session for three weeks.

PATRIOTIC MEETING AT CULLEOKA CHURCH

The laymen of the Central Presbyterian church at Culleoka on Sunday morning at 11 o'clock will hold a patriotic meeting. Several addresses will be made, and special music rendered.

STRENGTH OF FORMER SECRETARY OF TREASURY BECOMING MORE AND MORE APPARENT.

TEN NAMES BEFORE HOUSE

Balloting Will Probably Not Begin Until Late This Evening or Tonight. Platform Fight Still Is Raging—Not Yet Submitted.

(By United Press.)

SAN FRANCISCO, July 1.—It was McAdoo against the field today. Managers of the rival aspirants for the democratic presidential nomination declared this morning that the first business when the convention balloting began would be to block McAdoo.

Leaders of the big camps opposing the former secretary of the treasury said the greatest weakness lay in the inability to form a definite alliance for the purpose of holding the McAdoo boom down.

Managers of Governor Cox's campaign declared, however, that the formality of a "block" was unnecessary as enough anti-McAdoo delegates have been corralled already to insure his defeat.

(By United Press.)

NEW YORK, July 1.—Betting in the financial district on the democratic presidential nomination gives odds of nine to five against Governor Smith, of New York, and the same odds against McAdoo and Wilson. Odds of six to one are offered against Cummings. Odds of two to one are quoted against Champ Clark and Vice President Marshall.

(By United Press.)

SAN FRANCISCO, July 1.—Immediately after the convention convened this morning the name of Senator F. M. Simmons, of North Carolina, was placed in nomination by W. C. Newland, of the same state. Ten names were placed in nomination before the adjournment of the convention Wednesday, they being, McAdoo, Cox, Edwards, A. Mitchell Palmer, Smith, Gerrard, Hitchcock, Meredith, Glass and Davis.

BANDITS ATTACK MEXICAN TRAIN

AMERICAN ABOARD ESCAPES. ACCORDING TO ADVICE RECEIVED BY DEPARTMENT.

(By United Press.)

WASHINGTON, July 1.—A Mexican armored train, carrying Americans, was attacked and blown up by bandits Tuesday in the state of Chihuahua, according to reports received this morning at the state department from the American consul at Chihuahua City. All Americans were safe. Occupants of the rear coaches successfully defended themselves until they were reinforced.

THREE COLUMBIA CHURCHES UNITE SERVICES DURING NEXT MONTHS

Three of the churches of Columbia will unite in night services during the months of July and August. The uniting churches are the First Methodist, First Presbyterian and Garden Street Presbyterian.

The first service will be held next Sunday night in the Garden Street Presbyterian church and Dr. Melloy, pastor of the First Presbyterian

church will preach the sermon. The following Sunday night, July 11th, the service will be held at the First Presbyterian church, then in succession to the First Methodist church.

The services will alternate from church to church and the speakers will be advertised from week to week. The choir where the service is held will be responsible for the music.
