ENCOURAGING OFFER. We are in receipt of a letter from a subscriber to the Weekly Sun, a patron for several years, offering to send us one dollar for the paper another year if we will send him a 7c or \$1 pocket knife. It is such encouraging offers as this that inspires the country editor to keep going. If all their support was of this character, how long do you suppose they would be able to continue in business? But, thank God, men of this calibre are but few. Most people have realized long ago that it takes a lot of hard cash to run a newspaper and the newspaper man is not worried with the class that a few years ago made it a rule to pay their subscription in pumpkins, persimmons and promises.

A MESSAGE FROM TUSCULUM COLLEGE TO THE PARENTS OF GREENE COUNTY. Give your sons and daughters the best opportunity to become valuable American Citizens. President Wilson, Secretary Baker, Commissioner of Education Claxton, and all in authority at Washington, are urging American boys and girls to remain in school as long as possible. This is absolutely necessary in order to keep up the supply of educated men and women who are now needed. France and England are urging the United States not to make the mistake they did in allowing their students to drop out of school before they are really needed for service. Send your children to TUSCULUM and give them the training Uncle Sam asks them to receive. The expense is small. Next Session Opens Sept. 3. Write at once for information and catalog to TUSCULUM COLLEGE. DR. C. O. GRAY, President. GREENEVILLE, TENNESSEE.

Former Citizen Dies at Home In Mississippi

Greenville citizens were shocked to learn of the death of Mr. E. D. Self, at his home, Meridian, Miss., Sunday afternoon.

Davis Self was born and reared to manhood in Greenville. Some twenty years ago he removed to Mississippi, where he married. His first wife died about twelve years ago. To this first union three children were born. He was married the second time about ten years ago, and to this last union two children were born, his last wife and all the children surviving him.

Mr. Self was 52 years of age. He was a son of the late Rev. W. F. Self. His last visit to his old home was only a few weeks ago, when he accompanied the remains of his aged father here for burial. On account of the press of important business at that time, he was unable to spend but a few hours here, and as a result did not get to see many of his old associates, acquaintances and friends.

For a number of years Mr. Self had been district manager in Mississippi for a big insurance company. Since the outbreak of the war he has devoted much time to work and at the time of his death he was Federal labor agent for his district. He was a man that made friends easily and had the happy faculty of retaining them. He will be greatly missed by the people of Meridian and that section of Mississippi where he was best known.

Interment took place in Meridian Monday afternoon by the side of his first wife.

Some Sections Get Good Rains

Some sections of the county have been visited by good rains during the past few days, while other sections are suffering from the drought. The corn crop, it is reported, will be cut short most everywhere in the county, while late pastures have been ruined. Tobacco is said to be suffering badly along the mountain districts.

A. O. PICKERING. Albert Ossian Pickering was born July 20, 1869, at Chuckey, Tenn. He was the youngest of five children born to Captain Levi Pickering and Dr. Annis Olympia Pickering. He professed faith in Christ and joined the Methodist Episcopal church some years ago during a revival held at Chuckey, Tenn., by Rev. R. E. Walker. From that time until his death he tried to walk in the narrow way that leads to life eternal. He was a faithful and willing worker in the Epworth League, Sabbath school and all church work while there. He left Chuckey July 4, 1916, for Lenoir City, Tenn., and from there went to Toledo, Ohio, where he was joined by his family in the spring of 1917. Here he remained until his death, which occurred, after a few months' sickness, June 26, 1918.

He was preceded to the other side by his father, mother, one sister, an infant brother and one son. And is survived by a wife, five sons, four daughters, two sisters and a host of relatives and friends. His body was laid to rest in the cemetery at Chuckey, Tenn. In the absence of the pastor, Rev. T. O. Brundy, the funeral services were conducted by Mr. Herman Rhea. Our friends are going one by one. And soon another will follow on. Who shall it be we cannot tell, But with the soul may all be well.
