You just wait until Wilson runs in Maine.

Next thing you know the independents will want the legislature abolished because they can't create enough coin-fusion to defeat Patterson for the senate.

What's the use to worry? Patterson cannot be elected unless the people want him, and if a majority want him, they ought to have him, and the minority have no cause to complain.

There is still some talk of fusion and the independents controlling the legislature but the regulars continue to carry all the primaries. In Gibson county last Saturday a regular senator and two representatives were nominated over independents by majorities of about 750 with 3500 votes east, and that too with the liquor plank and Patterson the main issues of the campaign.

FLOPS TO WILSON

New York, Sept. 8.—The officers and a delegation from the Murry Hill republican club, which supported Taft and Sherman four years ago, called upon Mr. McAdoo, acting chairman of the democratic national committee, today and informed him that the club had decided to support Wilson and Marshall in this campaign.

DEMOCRAT FOR CONGRESS IN FIRST DISTRICT

From the Knoxville Sentinel.
"Democrats of the first congressional district should by all means run some democrat for congress in that district in the interest of the national ticket, so that a full vote will be polled on the democratic side. Republicans have two candidates, and every republican will be brought to the polls," said a well known upper East Tennessee democrat who is here attending supreme court.

"Who do you think would be a good man to run?" asked a reporter for the Sentinel.

The gentlemen replied: "There are 100 in the first district, any one of whom would make a good race and if elected would make a good congressman. We cannot tell what might happen. If you wanted a candidate from sevier county, there is John B. Brabson, better known as 'Farmer' Brabson, who is a sure enough farmer and would make an able congressman. Then there is W. O. Mims, of Cooke county, who is an able speaker and a brilliant young lawyer. He could go hunting for both bull moose and white elephant. In Hawkins county, there is S. L. Chestnut. In Hancock is Robert Coleman. In Washington is Cy H. Lyle, who is a brilliant writer and a good talker. In Greene county there are a number of available candidates, Hugh H. Goucheonor, who at one time reduced the Brownlow majority to 2,000 and also Oscar M. Dugger, Luke Trim, and a number of others. In Carter county is Dayton Hunter. In Union is L. H. Berry. In Sullivan Judge C. J. St. John and Judge Robert Borrow and J. Harry Swan, the boy orator, and others are available. In fact the woods are full of good men. In the past we have been allowing the republicans to run two candidates and the vote goes to the republican ticket, many democrats not taking part. Democrats will make a mistake if they don't put out some good live wire for congress in Sevier district."

WALTER H. HENDERSON ENTERTAINS ROYALLY

A special to the Richmond Times—Dispatch from White Sulphur Springs, W. Va., dated August 31 says:

The season opened with such a rush at the new "Old" White, it would seem that as it draws to a close things would quiet down a trifle, but to the most casual observer there is no apparent cessation of entertainments. All day long the guests at this resort rush from one party to another, while every night numerous supper parties are held in the cafe, the largest one of the week being that given by Walter Houston Henderson, of New York, in honor of Miss Helen Stevens, of Richmond, daughter of George W. Stevens, president of the Chesapeake and Ohio Railroad. The large round table, about which were seated thirty guests, was banked with flowers. At the conclusion of the party the guests attended the german held for the benefit of the musicians, there being at the dance about sixty couples. Those at the supper party were Miss Helen Stevens, Richmond; Mrs. Julia Kellogg Bradley Washington; Mr. Ridgely, Baltimore; Mrs. Monlon, Richmond; Miss Mary Moulton, Richmond; Mr. and Mrs. John D. Potts, Richmond; Mr. and Mrs. Edward Barrett, Birmingham; Mrs. Francis Herreshoff, New York; Mr. and Mrs. E. B. Lyon, Durham, N. C.; Mr. and Mrs. C. D. Wernwag, Bethayres, Pa.; Mr. and Mrs. Thornton Lewis, Cincinnati; Mr. and Mrs. Schuyler Leggett, New York; Miss Myra Baeder, New York; Miss Nell Carneal, Richmond; Miss Grace Ingalls, Boston; George W. Stevens, Richmond; John Breckenridge and Hunter Breckenridge, Fincastle, Va.; Dr. J. Garnett Nelson, Richmond; W. S. Belding, Philadelphia; "Jack" Lory, New York; Mr. and Mrs. Garrett B. Wall, Richmond; and Walter Houston Henderson, New York.

PRESIDENT GILBREATH IS WELL PLEASED

President Sidney Gilbreath of the East Tennessee state normal is gratified with the outlook for the school for the coming year. The opening occurred this morning. He stated that in the observation school from the second to the seventh grade no more pupils can be taken. In the observation school model work is done, and tuition is charged. The high school department of the public schools of Johnson City is taught at the normal and about 200 will enroll in this division. The normal department has prospects for a much larger enrollment than last year. Already the greater number of the rooms in the young ladies' dormitory have been selected and many young women and young men have secured homes in private families. During the past year more than 800 students have attended the normal school, and the effects of the training which the young teachers have received here are expected to be seen in the schools of East Tennessee during this season.

"If Tennessee has to have a republican senator, Newell Sanders might as well remain where he is; but Tennessee is entitled to democratic representation, and the thing to be done is to settle on a senator and elect him and not to have any split-up on persons and personalities," declares the Memphis Commercial Appeal. That is exactly why the democracy has ordered a primary to decide who the democrats in the legislature shall support. How else, pray, could legislators be sure of the choice of the party-at-large?—Nashville Democrat.

An article that has real merit should in time become popular. That such is the case with Chamberlain's Cough Remedy has been attested by many dealers. Here is one of them. H. W. Hendrickson, Ohio Falls, Ind., writes: "Chamberlain's Cough Remedy is the best for coughs, colds and croup, and is my best seller." For sale by all dealers.

AN INSTRUCTIVE ZOOLOGY DISPLAY

The menagerie and wild beast exhibit offered by the Sun Brothers' World's Progressive Shows this season is a distinct departure. Here will be seen on exhibition the choicest selections of the zoologic creation. They are all exhibited in massive and commodious cages and so arranged that all visitors to the shows can get an unobstructed view of them.

Uniformed keepers will be in attendance to explain the different characteristics and habits of the animals. The wild beasts are looked after with tenderest care, both on account of their extraordinary value and the fact that few can be duplicated at any price.

This exhibition is not a collection of wild animals such as are commonly seen in zoologic displays. Each is a splendid specimen of its kind and treated with the utmost tenderness and care.

The performing section of the Big Top performance as it is known in show parlance, is all new this season. An imperial program lasting two hours in duration is offered by artist of international reputation, including ring performers, clowns, aerial artists, sensational specialists, performing horses, trained elephants, acrobatic dogs, educated ponies, trained lions and leopards and various other features of human and animal nature, some familiar but most exclusive. The Royal Court Japanese Acrobatics Company; the renowned Cevene Tramp; the Eizetel, que De Kamos, the Mexican Juan De Zamora Aerial Troupe, from the city of Mexico; the Great Barnetts; Miss Adele Dutton, the Equestre Queen, are among the star headliners in this big diversity of good things.

This show will spread its tents on the grounds at Johnson City, Monday Sept. 16, one day only, afternoon and night.

It don't take mo'n a gill uv effort to git folks into a peck of trouble' and a little neglect of constipation, biliousness, indigestion or other liver derangement will do the same. If ailing, take Dr. King's New Life Pills for quick results. Easy, safe, sure, and only 25 cents at H. C. Miller's.

BIOGRAPHY OF ROBERT L. TAYLOR

Hon. A. A. Taylor, who with his brothers, Hugh and James P., are engaged in writing the biography of their brother, the late Senator Robert L. Taylor, has forwarded to the publishers the table of contents, also chapters on the naming of "The Fiddle and the Bow," "Scenes in Happy Valley" and "The War of the Roses." The chapter on Happy Valley is from the pen of Col. James P. Taylor. The chapter on "The War of the Roses" is from the pen of Hon. A. A. Taylor. Accompanying the foregoing was part of the tribute from the pen of De Long Rice, one of the most exquisite that will be found in the volume.

Rather than a commercial enterprise, the authors look on this work as a labor of love. To this end stock in a publishing company will not be hawked about but the printer will issue the foregoing and take subscriptions to those desiring the two volumes, one of his life and the other containing his lectures. The first edition will be about 50,000 and the subsequent edition will probably go over a quarter of a million copies. There will be little trouble about the sale of the volumes as there is a growing and insistent demand for them.

H. W. PARDUE BUYS TODD-BROWN BAKERY

H. W. Pardue has purchased the Todd-Brown bakery and is consolidating it with his plant on W. Main St. The plant is now being moved and the bread wagers are being continued without interruption. Chas. Coater, an experienced baker, is in charge of the new plant.

THE SOLDIERS ARE GIVEN THIRD PLACE

The agony is over and the pennant is won but not by the Soldiers. Bristol got the bunting but it did so by defeating other teams than Johnson City. In twenty-five games played between Johnson City and Bristol Johnson City won fifteen. But the race is not altogether the swift and therefore Johnson City is in third place in the official standing, with the best team in the league. Manager Taylor has reason to congratulate himself on the way his team has responded to his management since he was placed in charge. It is an assured fact that there will be professional baseball here next year as all teams have decided to stay in the Appalachian League. This will be good news to Johnson City fans. The Soldiers are now in Bluefield playing a series of games and won Monday's game but the others have not been heard from.

The following table shows how they finished:

	Won.	Lost.	Pct.
Bristol	17	8	.679
Knoxville	15	10	.619
Johnson City	14	11	.560
Cleveland	13	12	.520
Ashville	12	13	.480
Morristown	11	14	.438

The Trip to California Under Special Care

"You feel like sorting out and tying together the memories of this trip and keeping them separate from all other trips." A woman recently said this after a pleasant experience on a Burlington Route "Personally Conducted" excursion party to California. She traveled alone, but met many agreeable people on the car, which was in charge of a special conductor. This good natured official was a well-informed, courteous man who went all the way through with the party, looking after everyone's comfort and attending to all the little details of the trip. Thus a woman or child in one of these parties can travel with perfect safety and freedom from care. If you would like to know more about the Burlington's comfortable and inexpensive personally conducted excursions, please write me a postal and I'll send you maps, booklets, pictures, etc., by return mail.
