Then she showed it to father and he nearly busted a lung denouncing the dog-washed, ding-busted, fat-headed idiot who would dare write such a mess of silly, sickening, hog-wash to any girl.—Cincinnati Enquirer.

Needful Knowledge

Maryville People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are many. Disordered kidneys often excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back may ache, headaches and dizzy spells may occur and the victim is often weighted down by a feeling of languor and fatigue. Neglect these warnings and there is danger. Delay often proves fatal.

You can use no better endorsed kidney remedy than Doan's Kidney Pills. Here's Maryville proof of their merit.

Mrs. I. A. McCully, Washington Ave., Maryville, Tenn., says: "I used Doan's Kidney Pills procured at George & Mitchell Drug Store. They relieved me of backache and other symptoms of weak kidneys."

Mrs. McCully, is only one of many Maryville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs.

McCully had—the remedy backed by home testimony. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

The County Institute for colored teachers met at Maryville in the 2nd Presbyterian Church, July 7, 9:30 o'clock.

The opening being completed, the organization was finished by electing S. E. Leeper, Chairman and William Kennedy, Secretary. The subjects assigned the teachers were then taken up and discussed. The morning sessions were carried on with the omission of the afternoon sessions but two night sessions were held Wednesday and Thursday nights. On Wednesday during the day papers were read on the different subjects assigned the teachers by the county Supt. McCall. At night a special program was rendered by the teachers and some of the citizens of the town entering into the discussions. The remarks by Rev. E. M. Argyle, B. D. were especially interesting and instructive. Remarks were made by the Supt. and David Hannum and S. E. Leeper. On Thursday night a special program was rendered in addition to the day session in which Rev. L. A. Patrick, D. D., was the chief speaker. Rev. Patrick brought out many interesting thoughts on the subject, "Race Leadership and the growth of race Pride." Friday morning was devoted to hearing the reports of the committees on resolutions and the fall institutes for teachers to be held in the various parts of the county. The first Institute is to be held six weeks after the county schools begin and is to be furnished by Prof. H. B. McCall; it was decided to hold it in the public school building, Maryville, Tenn.
