NOTICE.  
HEADQUARTERS INDIANA BRIGADE,  
MEMPHIS, JUNE 7, 1862.

The undersigned, with the troops under his command, has taken military possession of this city, in the name of the Government of the United States, for the purpose of asserting the supremacy of the constitution and laws of the Union, and restoring peace, protecting public and private property and the lives of citizens. Residents who may have fled from their homes are exhorted to return, merchants and others who have abandoned their business are requested to re-open their stores and shops, excepting those dealing in intoxicating liquors, who are forbidden to resume that trade until the penalty of having their stock destroyed. The Mayor and the Common Council will continue in the exercise of their municipal functions, the military authorities simply co-operating with them in enforcing all proper ordinances, unless some exigency arise rendering it imperative to place the city under martial law. It is hoped and believed, however, that military will occur to render this step necessary. Certainly no act of this command shall afford any pretext for the citizens placing themselves in that position. Capt. John H. Goetz of the 66th Indiana Volunteers, will act as Provost Marshal until further orders. Maj. John C. Major, of the 4th Regiment Indiana Volunteers will have command of the picket and post etc.

G. N. FITCH,

In view of these facts, the people are invited to come to the city and purchase supplies for their necessary wants, assuring them that in so doing the power of the Federal Government will extend any protection in the legitimate pursuits their interests may demand.
