## Review Club.

Miss Gertrude Wallace was the charming hostess of the Review club on Tuesday afternoon. The lesson was a continuance of "Political Austria" and, as usual, proved very interesting and instructive. Instead of the magazine lesson there was a lecture on Austria, which was delivered by Mr. Katz, a native of Austria, who is working here with Mr. Harry Robinson. He told many interesting things about his country in a pleasing and delightful manner and charmed every one who heard him. The members of the club appreciate very much his kindness in speaking to them. A delicious ice course was served. The next meeting will be with Mrs. Laura Wells.

The Review club was entertained by Mrs. Rice A. Pierce, the vice-president, last week on Friday evening. Mrs. Pierce was assisted in receiving by Mrs. D. A. Edwards and Misses Mayme and Bess Gardner. Portions of "As You Like It" were read by different ones, also selections from humorous authors. The guests were served with punch which they arrived by Miss Hattie Gibbs. Refreshments in the nature of an ice course were served later. The club colors were violet and white. Mrs. Pierce is famous as a hostess and her guests on this occasion found her in her happiest mood.

## Columbian Club.

Mrs. Harry Robinson is entertaining the Columbians this afternoon.

## J. U. G.

Miss Lucile George most delightfully and charmingly entertained the J. U. G. club at her home, corner Third and Washington avenue, last Thursday afternoon. The parlor was beautifully decorated in cut flowers. There were five card tables and quite a number of interesting Flinch games played. Miss Kate Flack won first prize, a pretty bottle of perfume, and Miss Hazelle H. Hardy captured the consolation, a bottle of toilet water. Bon bons were served during the game and afterwards a lovely ice course was served. The color scheme of the afternoon was brown, pink and white. Pretty lunch cloths were spread and chocolate cream in tiny flower pots and block cakes iced in pink and chocolate, were the dainty refreshments. In each pot was a pink or white rose and these served as sweet little souvenirs. Quite a number of visitors were present: Misses Dora Bradshaw, Ida Sanders, Kathleen Gibbs, Annie Lee Taylor, Kate Flack, Mary Porter, Nettie Miller Carter, Mary Turner, Daudie Pardue, Carrie Catron, Mrs. J. J. Castleberry, Mrs. B. C. Bramham. Miss George's entertainments are always enjoyable ones and she and her mother make charming hostesses. A short business meeting of the club members was held after adjournment. The club has two new members, Misses Mary Turner and Daudie Pardue, and are indeed glad to welcome them into their midst. Yesterday afternoon the club went to Sulphur Springs for an afternoon's outing. They left on the 3.06 train, returning at 7.45. The afternoon passed most pleasantly in various ways, and at 6 o'clock they had supper on the ground, which was a delightful treat. Those composing the party were: Misses Ella Griffin, Hazelle and Pauline Hardy, Bessie Glasscock, Mary Turner, Vera and Jennie May McKinney, Mary Adams, Messrs. Pace, Granville Sanders, Bennie Deitzel, Will Penick, James Ownby, John Moss, Miss Elsie and Mr. Russel Gardner, of Dresden, and Mr. and Mrs. Lydwell Garner. The club meets next week with Miss Glasscock.

## J. F. F.

At her pretty country home, on Wednesday afternoon, Miss Margaret McRee, in her always charming manner, entertained the J. F. F. club. Whist was played and Mrs. Herman Howard won first prize, while the consolation, a pretty fancy talcum box, went to Miss Mary Swiggart. A delightful ice-course was served. Last week the club was entertained by Mrs. Wallace

Moore at her pretty home three miles from town. Flinch was played and four pretty prizes given. The first, a lovely Gibson picture, was captured by Miss Laura Cathey. Envelopes containing cards were then passed to each guest. Mrs. John Bransford was given a beautiful hand-painted bon-bon dish for drawing the lucky card. Mrs. Clifford Joyner received the consolation, a pretty silver bon-bon spoon, while the visitor's prize, a beautiful belt, went to Miss Bessie Rowland. After the game a lovely salad course with iced tea was served. The following visitors were present: Mrs. B. C. Bramham, Mrs. Herman Howard, Mrs. Florence Harris, Mrs. J. J. Castleberry, Misses Bessie Rowland and Mary Porter. The afternoon was a most pleasant one, and every one voted Mrs. Moore an ideal hostess.

## Hay Ride.

Quite a number of young people, chaperoned by Mrs. C. P. Hardy, enjoyed a delightful hay ride to Alliquippa last Friday night. Lunch was enjoyed there and then a charming ride back to town. Those making the party were Misses Hazelle and Pauline Hardy, Ella Griffin, Vera McKinney, Floy Coble, Kathleen Gibbs, Carrie Walker, Messrs. Granville Sanders, Richard Sanders, Will Penick, Thad Lee, Vernon Verhine, Avrie Coble.

Miss Kathleen Gibbs leaves this afternoon for Trenton, where she goes to assist her father in the new store there.

Miss May Crockett has returned from Paducah after a pleasant visit of two weeks.

## High School Commencement.

The Union City High School commencement opened last Wednesday night at Reynolds Opera House with the presentation of certificates to the High Grammar School class. A large assemblage was present and the exercises began with prayer by Rev. Castleberry. Supt. Darrin, assisted by Miss Brevard, awarded certificates as follows:

Marene Allen, Eara Clark, Ullanice Cobb, Emmie Locke, Louise McConnell, Nell Nailling, Idie Lee Turner, Helen Verhine, Harry Harper, Fulton Moffett, Murry Woody, Bowden Chambers, George Posey, Horace McMichael, Frank Elliott, Harry Campbell, Pierce Pardue, Chester Whitley, Leslie Johnson, Vernon Forcum, Ralph Quinn, Vivian Reynolds.

The pupils are ready to enter the High School at the fall term. In examination average Fulton Moffett led the grade for the year, making an average of 93%. Emmie Locke was a close second in examination average and ahead in daily recitation, so the contest for the medal was considered a tie and two medals were presented, one to each.

The class exercises at the opera house Wednesday night by Miss Mayme Miller were heard and enjoyed by a large audience. The program was selected and arranged with a great deal of taste and tact, and the manner in which it was executed was not only a surprise but a revelation. It seems that Miss Miller's accomplishments include the art of instruction as well as reading. Every member of the class acquitted himself or herself in the most creditable manner, not in the usual way, but far better than ever seen here before by boys and girls of the same age. The following names comprise the class: Ara Edwards, Edward Parks, Laurice Edwards, Lillian Bird Whitesell, Lala Edwards, Hunter Whitesell, Genevieve Nailling, Pauline Caldwell, Mildred Eliot, Donnie Rauney, Barry Alexander, Annie Laurie Caldwell, Kathleen Watson, Parneicy Hale, Ida Lee Turner, Lois Carter, Clara Parks, Jessie Whitesell, Leila Reeves, Katie Mayes, Jessie Gibbs, Annie Laurie Griffin, Nell Jackson, Floy Coble, Pauline Jackson. The class was assisted by Miss Dickson Sandling and Miss Bessie Rowland.

## Good Service Desired.

We want to give our patrons the very best service possible, and to assist us in doing this we kindly urge them to report to our office any want of attention or discourtesy on the part of our drivers or other employees. We have correct scales on all our ice wagons and ask our patrons to insist on seeing the ice weighed if they have cause to believe that our drivers are giving them short weight.

**IMPORTANT.**  
Kindly have your refrigerators ready, and do not keep our wagons waiting when they call on you, and you will greatly facilitate prompt service.

**COAL.**  
We are now in position to offer you coal at Summer prices that are but little higher than last season (although the strike now on has advanced coal considerably). We can deliver this any time before Oct. 1, but we prefer having your order promptly so we can have an idea of how much to contract for. The old reliable Bon Air is still the best and cheapest in the market. Cumberland block is second only to Bon Air and we can furnish this at a price we consider the cheapest coal in the market.

We offer Diamond D (best Kentucky grade), as well as Battle Ax, to parties wanting a cheaper grade of good domestic coal. Remember that we screen all coal for domestic purposes, hence you pay for no DUST or DIRT. Thanking you kindly for the many favors shown us in the past, and soliciting your future kind consideration, we are,  
Yours to please,

## Beware of Ointments For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. ## THE EVILS OF CONSTIPATION.

Everyone Knows When He is Constipated and Everyone Should Know the Risk He is Running When He Fails to Promptly Correct it.

Any Disease Epidemic or Otherwise to Which He or She May be Exposed is Sure to Result Seriously.

There are two ways to remove constipation; the wrong way is to drench the bowels with a powerful, gripping, drastic cathartic that injures the coating of the bowel channels and produces an early return of the trouble in a more chronic form. The right way is to use a natural, easy and mild laxative that tones up and strengthens the bowels and leaves a healthful influence behind it. Prickly Ash Bitters will empty the bowels just as thoroughly as the harsher cathartics, and combines all the tonic and strengthening properties necessary to permanently cure the habit.

Accept no substitute. Insist on having the genuine Prickly Ash Bitters with the large figure 5 in red on the front label.

## NOTABLE PRICE REDUCTIONS

On All Seasonable, Stylish, High Grade Colored Low Shoes.

Notwithstanding the unusual and most noteworthy character of the offerings enumerated below this is not an effort on our part to indulge in sensational advertising. We are simply acting upon a modern progressive business principle, namely: That of keeping stock in good condition by making regularly quick disposition of odds and ends, badly broken lots and discontinued brands. After an unprecedented spring business—by far the largest ever done in Union City—it is but natural that we should find such accumulations in our stock at this time. Therefore these great price reductions. Don't judge of the quality, stylishness or desirability of these goods by our present prices, rather by the goods themselves. They are of reliable, tested brands most of which are familiar to you. The styles are among the best of the season and with but two or three exceptions the goods were bought especially for this season. Our usual guarantee goes with every pair. Eastern fashion journals state that this class of goods is growing in popularity every day as the warmer weather approaches and that colored leather shoes will be worn more this summer than in several years. Owing to the number of lines and great variety we can show you practically every size and all the desirable styles.
