Mrs. Harvey Burks, Harrisburg, Illinois. Cured by "ZEMO" After Five Years' Torture.

WHY?  
SUFFER  
THE  
TORTURE OF  
ECZEMA OR ANY  
SKIN DISEASE  
WHEN THIS  
GOOD MEDICINE  
+ ZEMO +  
HAS NEVER  
FAILED TO CURE

E. W. ROSS MEDICINE CO., St. Louis, Mo. HARRISBURG, ILL., May 13th, 1920.  
Dear Sirs: Believing that "ZEMO" saved my arms, if not my life, I will gladly tell all sufferers from eczema what your good medicine did for me. I suffered six years from a torturing case of itching eczema of both arms. I tried eight different doctors, and every eczema cure I could hear of without relief. The disease grew worse and spread to my neck and breast; my arms had great holes eaten in them; I soon became so invalid and was confined to my bed days of the time. My husband bought a bottle of "ZEMO"; the first application stopped the itching, and soon and smooth as my picture will show, before and after using "ZEMO." My arms were so bad some of my friends wanted me to have them taken off, but I wouldn't agree. I am now entirely cured and have gained ten pounds in weight, and feel better than I have felt in many years. I consider my quick recovery by using "ZEMO" nothing short of a miracle. I will gladly answer all inquiries and recommend "ZEMO" to all persons suffering from any itching skin disease. Yours gratefully, Mrs. Harvey Burks.
