**Absolutely ONE PRICE
BECAUSE**

We believe the one-price system the fairest way to do business, both for the merchant and the customer. As the pioneer one-price clothiers, we have thoroughly tested it and found it good.
Does it look good enough to you to try it once?

**Every Article Guaranteed
BECAUSE**

Every customer must be satisfied that he gets his money's worth. We absolutely guarantee each and every article to be worth the money you pay for it, and should you have occasion to test this you will find our money talks, as well as our advertisements.

OUR Purchases for Spring have been carefully made, and in all our departments you will find the latest styles and choicest materials. The selection of patterns for the Tailoring Department is larger and handsomer than for many seasons, and the grays and tans for Spring look all the brighter in the somber shades of winter.

Our efforts will be untiring to supply the young men with the newest things in haberdashery, and in so doing will in no wise neglect the wants of those of more mature years.

From the cheapest that's good to the best that's made will always be ready for your inspection in all our lines.

The One Department to which we call your especial attention is our clothes for boys. We have made an especial effort to please you in this line, and invite your inspection of our Boys' Knee-pant suits for Spring.

The Shoe Department is rapidly being filled with the best shoes we can find in the markets, and the spring line will be as complete as any in the city.
