WHAT THEY SAY.

Read what Mrs. Ellen Wylie, who lives on the
Tray-Union City road, and who is one of Union
County's most highly respected ladies, has to say
of Benzo Citrate of Lithium Compound.
"Feeling that a history of my case may be the
means of bringing relief from pain and happiness
to other poor sufferers of kidney disease, I take
pleasure in giving you this testimonial.
"For a number of years, I have been a great
sufferer from kidney affection, and the pain and
distress given me by my back was at times al-
most unbearable. A friend suggested that I try
your Benzo Citrate of Lithium Compound, and I
decided to do so, and was delighted after taking
a couple of bottles to find myself so much better
that I felt certain of a complete cure, which was
effected with two more bottles. My back is
strong as ever, in fact I never knew I have a back,
so far as pain is concerned, and I feel and know
that to your wonderful remedy I owe my present
excellent health.
Yours respectfully,
ELLEN WYLIE,
Office Morgan Building, Union City, Tenn.

PRaise FROM A DRUGGIST

I feel that I can consistently recommend to the
public Dr. Cannon's Cascara Tablets as being one
of the very best remedies manufactured for the
relief and cure of constipation, bad blood, head-
ache, biliousness and a generally run-down sys-
tem.
I have taken the tablets and derived great ben-
efit from them, and take pleasure in stating that
I feel confident they will accomplish all Dr. Can-
non claims for them.
C. V. JONES, Union City, Tenn.

WHAT ONE OF UNION CITY'S GLDRST MERCHANTS SAYS OF BENZO CI- TRATE OF LITHIUM.

I have been a sufferer for years with a kidney
trouble, and tried many remedies, with but little
benefit. I visited Red Boiling Springs for my
complaint, but I can truthfully say that I have
received more benefit from Dr. Cannon's Benzo
Citrate of Lithium Compound than from all other
remedies combined, and I take pleasure in recom-
mending to any one suffering with a kidney or
bladder affection this sterling remedy.
HARRY T. ROBINSON.

WHAT A POPULAR SHOE SALESMAN SAYS OF BENZO CI- TRATE OF LITHIUM.

Feeling that some one may be benefited by my
experience, I take great pleasure in stating that
I believe there is no remedy manufactured that
can equal Dr. Cannon's Cascara Tablets for catarrh
of the bladder, and was in such a run-down con-
dition that it seemed that I had scarcely any energy,
appetite was bad, and I was almost a burden.
I considered to give Cannon's trial, and bless the
day that I began its use, for in a short time I was
my old self, feeling as well as I had ever felt in
my life.

"WHISKEY" COLD CURES.

**Danger of using Alcoholic Mixtures
or Coal Tar Tablets.**

Laying aside all moral objections
against filling up the system with
whiskey or drugs because one has a
cough or cold, the dangerous physical
effects should be sufficient to keep one
from using these strong medicines.

A thoroughly scientific way to treat
a cough and cold as well as a sensible
method is to breathe Hymel through
the neat pocket inhaler that comes
with every outfit. The first breath of
its healing medication relieves the
irritation, and its continued use soon
effects a thorough cure.

The best people in Union City al-
ways keep Hymel in the house dur-
ing the winter months, and at the
first symptoms of a cold or bronchial
troubles, use the remedy, and prevent
serious and lasting illness. The guar-
antee that Red Cross Pharmacy give
with every Hymel outfit should con-
vince you of its curative powers. A
complete Hymel outfit cost but \$1.00,
extra bottles if needed 50c, and Red
Cross Pharmacy guarantee to refund
the money if does not give satisfac-
tion.

No Small Towns.

There is an old saying in the the-
atrical business, "once a deadhead,
always a deadhead" and there is
much truth in the saying. Dead-
heads don't approve of the rules laid
down by Artemus Ward: "You
can't go in without paying, but you
may pay without going in." Their
dodges to avoid paying are often
humorous and ingenious.

An amusing story is told of an
encounter Harry Beresford, who
will be seen here in "The Woman
Hater" Friday night, Feb. 22, at
Reynolds Opera House, had with a
would-be deadhead in a small town
last season. He was standing in
the lobby of the theater one even-
ing when a man came up to him
and said:
"Are you Mr. Beresford?" The
reply being in the affirmative, the
fellow said:
"Do you recognize the profes-
sion?"
"Are you an actor?" asked Mr.
Beresford, scenting a little fun.
The fellow said "Yes," and be-
ing asked if he was tragedian, said
he was.
"Did you ever play Chicago?"
asked Mr. Beresford.
"Sure" was the reply.
"Well, did you ever play Ham-
let?"
"Now, I never played none of
them small towns."

Godwin & Williams.

Will S. Godwin has returned from
Bardwell and has again purchased
a one-half interest in the east side
grocery, formerly sold by him to
Mr. W. P. Skinner. The firm will
in the future be known as Godwin
& Williams.

This town, nor any other, for that
matter, can claim as citizens any
better men than Chas. Williams and
Will S. Godwin. They are polite,
courteous, and business strictly.
They grew up in Union City and
have spent their lives in a grocery
store. They know the business
from A to Z, and have friends in
this section by the hundred. This
firm has always enjoyed a good
business.

Mr. Skinner has not decided what
he will do, but will likely accept a
traveling position for a St. Louis
wholesale house.

Hubbs-Joyner.

Mr. Jack Hubbs and Miss Nell
Joyner were married in Jackson last
Sunday evening at the home of Mr.
and Mrs. W. W. Heathcock. Miss
Joyner had been a guest of Mrs.
Heathcock in Jackson for several
days, and Mr. Hubbs took advan-
tage of the opportunity to have the
ceremony solemnized in that city.

The Rev. J. B. Eshman, pastor of
the Cumberland Presbyterian
Church, was the minister in charge.
The bride is a daughter of Mr.

and Mrs. Robt. Joyner, one of the
best known families in Hauser Val-
ley neighborhood. She is popularly
admired for the many graces and
accomplishments that contribute to
the charm of womankind. Miss
Joyner was not only a social favor-
ite, but one whose genial and whole-
some character inspired the esteem
and loyalty of her friends.

Mr. Hubbs is a son of the late
John Hubbs, and a young man of
excellent character and acquire-
ments. He is a salesman in the
leading hardware house at May-
field, having received his early
training in the house of the Deitzels
in Union City.

There are scores of warm friends
who wish them long life and happi-
ness.

Marriage at Kenton.

At the home of the bride's broth-
er, Chas. Wade, at Kenton, last
Friday evening, Miss Zaida Wade
and Mr. Jesse A. Beadles were united
in marriage, Rev. R. L. Keathly,
pastor of the Cumberland Presby-
terian Church, saying the cere-
mony.

Miss Wade is one of Kenton's
most prominent young ladies and
for a long time has served as post-
mistress.

Mr. Beadles is employed in the
train dispatcher's office at Cairo,
Ill., where the newly married cu-
ple will make their future home.

Married.

T. N. Morris, a very excellent
citizen of the Fremont country,
was here Monday and gave us a
memorandum of two weddings. One
was the marriage of Jas. Armstrong
and Miss Cora Council. This took
place Sunday, the 10th inst., at the
home of Mrs. Kirkendall, with
whom the bride had lived for many
years. Another was the marriage
of Jas. Hicks and Maudie Glover,
which was also solemnized on the
10th inst. The bride is a daughter
of Cheatham Glover and the groom
a son of Robt. Hicks. All are very
popular and a worthy young people.

Concrete.

W. H. Hamilton, of Hammond,
Ind., was here this week looking
for a location for concrete work.
Mr. Hamilton is thoroughly posted
in that line of work and says
that it is now being adopted all
over the country. The railroads
are using it for base work and the
cities are using it for foundations
and buildings.

The gentleman hearing that Mr.
Branford was putting in a plant,
left to investigate the field at Cov-
ington.
