**State Democratic Convention.**

Lamb for Court of Civil Appeals, Frank Avert for Railroad Commissioner and Benton McMillin and Chas. A. Stainback for Electors for the State at large. A platform was also adopted much the same as the State platform two years ago. The temperance plank is about the same. Following are the names of members of the State Executive Committee: First District, J. Frank White, of Claiborne; Second District, J. F. Bondren, Jefferson; Third District, T. S. Wilcox, of Hamilton; Fourth District, A. Algood, of Putnam; Fifth District, J. C. Beesley, of Rutherford; Sixth District, W. M. Brandon, of Stewart; Seventh District, W. A. Knight, of Humphreys; Eighth District, C. G. Gathings, of Henderson; Ninth District, E. Rice, of Dyer; Tenth District, Hugh H. Huhn, of Shelby.

### Take Depositions.

Forty-two witnesses were summoned to appear before the Clerk and Master of the Chancery Court this week and be examined with reference to the burning of the property in Shaw's park on the night of April 11 and other depredations committed in the name of the Night Riders.

The Fire Marshal, representing the State, is making an investigation, to conform to the law, relative to the origin of the fire. The laws of Tennessee require the insurance companies doing business in the State to deposit a fund for this and other purposes, and the investigation now being carried on is to comply with the law.

Depositions are now being taken. Be sure and buy a Jersey. They run so easy and quick. Union City Hardware.

WOMEN'S HOME

The plan is to have ten boys to a cottage with one teacher or member of the faculty to each one of these cottages.

This plan met with general approval, and arrangements have already been made to secure the services of Mr. and Mrs. A. H. Briggs to take charge of the cottages. The selection of these good people will be another great advantage in this movement. No better home could be secured than with Mr. and Mrs. Briggs. With them all the home and Christian influences will be enjoyed.

This is very encouraging for the

They're too valuable to be strewn about the room or house exposed to dust and damage! Of course you can't help it, if your book-case is full and of the old style solid construction. Better get rid of such a case, or start a new one that will always accommodate your books without being either too large or too small—one that grows with your library and always fits it. The

future of The Union City Training School. Quite a number of pupils have signed for these boarding quarters and the prospects that all or nearly all the quarters will be filled by the time school opens on the 27th of August.

Union City has a good preparatory school in the Union City Training School. The school in the past two years has accomplished very flattering results and the prospects at this time are much better than ever in the history of the school. The faculty this year is much stronger and encouragements of the most satisfactory nature are being given to the school.

Every pupil, or parent who has sons or daughters contemplating going away to school, will do well to investigate the advantages of this school before final arrangements are made for the coming session.

### Covington Hotel Fire.

Covington, Tenn., July 6.—Fire broke out in the basement of the hotel Lindo, the chief hostelry of Covington, yesterday afternoon. The flames followed the elevator and soon reached the third story, and for a time a disastrous conflagration was threatened. It being Sunday, members of the volunteer fire company were at their homes, and there was much delay in getting them together and the water in play. The building is owned by a stock company, of which Col. W. A. Owens, Dr. G. B. Gillespie, W. L. Shelton and others are the principal stockholders, and is occupied by Mrs. Kate Hicks. The damage is principally from water and is fully covered by insurance.
