NO REASON FOR IT.

When Union City Citizens Show the Certain Way Out.

There can be no just reason why any reader of this paper will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of diabetes or any kidney ills when relief is so near at hand and the most positive proof given that they can be cured. Read what a Union City citizen says:

H. T. Dunn, veteran, living on East Matthews street, Union City, Tenn., says: "My wife was subject to headaches, pains through her limbs and back, and a weakness of the kidneys, which was very annoying. At times it was hard for her to stoop, lift or rest comfortably. On using Doan's Kidney Pills she was soon cured of the disease. I have also taken this remedy and have found the best of results."
