

THE SOAP DISPLAY

in our window will remain another week, so call often and make your guesses as to the number of cakes used in the U. S. Capitol Building, and you may be fortunate enough to get one or more of the \$78.00 worth of prizes.

Very Important. We notice from our guess record books during the past two weeks that many persons are estimating beyond reason, their guesses ranging from ten thousand to several million cakes. To put everybody right we wish to state that the display is not all soap, but one layer of soap and mirrors built in front of a large frame work of lumber. In order that you may guess the exact number possibly, during this week, we will continue the sale one week longer before tearing the display down, thus giving you an opportunity to make new guesses in case you have overestimated.

Bear in Mind that we are offering some very special buying inducements during this contest, and that you receive a guess with every 25 cents worth purchased in any department of the store.

Obion Farmers Distressed.

The farmers of Obion County are much distressed at the long continued heavy rains. Corn is being injured by the weeds and grass, and the strawberry crop was much shorter than usual. Wheat is looking good, but the acreage is much shorter than usual.

The best of the good ones.

All the experiments of the Government food experts and the athletic trainers of Yale University prove that cereal eaters are the strongest and healthiest. Quaker-Scotch Oats stands at the head of the list of cereal foods. It is not only the best food, but it's the cheapest food on earth. Packed in tins it will keep sweet and fresh anywhere indefinitely.

"GODLESS SCHOOLS."

Presbyterian Assembly Hears a Caustic Attack.

Denver, May 24.—"Grace is not usually said over champagne and lobster a la Newburg.

"Family altars are not raised over Persian rugs.

"Students for the ministry do not, as a rule, get their early training by running steam yachts."

These remarks by Dr. Joseph W. Cochran, Secretary of the Presbyterian Board of Education, caused great interest in the Presbyterian General Assembly to-day.

Dr. Cochran, who is from Philadelphia, spoke in the afternoon on the report of the Board of Education, which deplored the lack of recruits for the ministry. The report was read by Dr. Edgar P. Hill, of Chicago, who stirred the Assembly by his description of the ignorance among immigrants, due, he said, to the fact that no Protestant denomination, and surely not the Presbyterian, had taken the trouble to stir up a sufficient number of ministerial recruits to work among the people.

"Why can't we get young men to preach?" asked Dr. Cochran. "I'll tell you. In the first place, there is but little Christianity in the home. If there is any it is gone by the time the young man is ready for education.

"Does he go for his education to a Christian school, a Presbyterian school? No, he goes to a godless State University, and when he returns to his home town he puts religion at a low ebb. And if you ministers find your churches at low ebb know where to place the blame.

"The need in this Board of Education is not for more money, but for men. Now, we cannot Christianize these State Universities, but we can put a shepherd in charge, and in this way keep the boys in the flock, although they are being educated at godless schools."

Lack of funds was told by the American Tract Society and the Board of Freedmen in their annual reports.

The Wherefore.

"Why should a bride wear such an enormous hat?"

"Because it was the only way to transport it," spoke up the lady. "I could not get it in a trunk."

Church Services.

Next Sabbath, June 6, is my regular monthly appointment. Services at the Presbyterian Church, north First Street, morning and night. The Sacrament of the Lord's Supper will be celebrated at morning service. All members of the Presbyterian Church, with their families, are urged to attend. A cordial invitation extended to all. "Come with us and we will do you good."

H. B. ZERNOW, Pastor.
