The M. E. Church Sunday School enjoyed a rally at the Masonic Hall last Monday night. The affair was informal and the children enjoyed a general romp, with tag, blindfold, snap, and all the games. The games were sprinkled with piano music.

S. D. Cochran, of Meringuoin, La., was in the city this week visiting his sister, Mrs. Laura Wells, and family and brother, W. W. Cochran. Mr. Cochran states that the lumber manufacturing firm of Wilson & Cochran, who have a very large domestic and export trade, will soon move their mills to Lotta, twelve miles distant from Meringuoin. At the latter place the mills have been in operation about ten years, and the mills at the new site will be much larger and better equipped. The proprietors are both natives of this county who have been engaged in the manufacture of lumber for many years and have succeeded to the point of attaining considerable rank among Southern lumbermen.

Mr. and Mrs. J. H. Latimer, of Nashville, are here for the holidays visiting relatives and friends. Mr. Latimer has just closed out his business with the Wrought Iron Range Co. in Canada and retires from that line of work after a very extensive period of the best business and financial success, and the family will be located in Nashville, where the children can be properly educated. Mr. Mr. Latimer has some very fine land interests in Canada which will engage his attention to some extent. We trust that they may be with us oftener than heretofore.

The Baptist Sunday school observed the usual custom last Saturday evening of distributing presents to the children, big and little, from a very large and well supplied Christmas tree at the church in the city. The loquacious Mr. Southworth was detailed with the duty of presenting Santa Claus, and this he did with no little credit. Santa delighted the children with his adventures along the way in a very interesting manner. Every member of the Sunday school and numbers of visiting children carried home a doll or a toy of some kind and the occasion was full of Christmas cheer.

The following young men from the Union City Training School have been enjoying the holidays at home: Kenneth Tate and Ben Welch, Decatur; James Brice, Troy; George Hinkle, Memphis; Richard Honeycutt, Woodland Mills; Ruby Smith, Decatur; Earl Lightfoot, Ripley; Clifton Fields, Hornbeak; Neville Shelton, Tiptonville; Joe Buford, Memphis; Grover Wilson, Hickman; Cecil Thomas, Dyer; Earl Lancaster, Troy; Hazie Cobb, Covington; Frank Key, Fulton; Paul Erwin, Troy; Fred Key, Fulton; Will Chisom and sister, Miss Viola Chisom, Ripley; Rufus McConnell. Mr. Mathis speaks very highly of the deportment of these young men. They occupy Alexander Hall and have elicited the very highest praise for good behavior and the care they have taken of their quarters. Not only so, but they have worked hard on their books, and the result is that they will be well prepared for the examinations. We trust Christmas brings them many pleasures and that they will return refreshed and ready for the last half of the best year in school.
