### Camp Meets Monday.

Warren McDonald, U. C. V., met in the city hall last Monday, the chair being occupied by First Lieutenant Commander, John Cavanaugh. Prayer was offered by Chaplain Jerry Cloar. Commander Sowell was not able to act. Commander Cavanaugh was ably assisted by Dr. McRee. Report of quartermaster was made and choice of route was left to camp who heard propositions made by representatives of the N. C. & St. L. and L. & N., the Iron Mountain and I. C. railroads. It seemed to the camp there was not in the propositions enough for them to decide on the route to the Little Rock reunion, which action was postponed to the first Monday in May, when the following will report for final action as to the route: F. M. McRee, T. B. Inman, W. W. Cacey, A. L. Brevard. The following were elected to represent the camp at the Little Rock reunion: P. N. Matlock, Pitts McMurray, J. S. House, with alternates, Hugh McDonald, C. G. Thomas, E. N. Church. By acclamation Miss Emma Miller was elected sponsor. Misses Bernice Shipp and Cammie Jones were elected maids of honor. Mrs. W. W. Casey was unanimously elected chaperone. Company E, after adjournment of camp, elected by ballot C. G. Thomas second lieutenant of Company E. The Captain, Jas. B. Harper, appointed D. H. Little first sergeant and Hugh McDonald second sergeant. There was a very large and enthusiastic delegation present from all over the country.

### The Sale at Troy.

A stock sale held at Troy last week attracted quite a large crowd to that little city. W. A. Smith, J. B. Mitchell and Gid McRee promoted the sale and quite a lot of stock changed hands. Several tracts of land were also sold, including a tract belonging to W. A. Smith, which brought \$70 an acre, and a tract belonging to Mr. Mitchell which brought \$76 an acre. The ladies of the Cemetery Association served dinner, and a quilt was sold to add to the fund. The auctioneer sold the quilt to several parties who turned it back to the association as a gift. W. C. Farris was one of the bidders who paid \$10 for the quilt and returned it to the association. Then the auctioneer asked for four of the prettiest girls present, each to take hold of a corner of the quilt and hold it out, and the crowd was solicited to pitch in additional subscriptions. Altogether the association realized over \$150, which is ample to keep the cemetery in repair for the present year.

Use Jersey Cream Flour. None better.

### Demonstration Day.

The exhibit and demonstration conducted by Garner & Bean last Friday at the store on the corner of Church and First street, was a very popular affair. The hours were from one to five, and it is safe to say that the attendance was between four and five hundred. The Club House line, which the firm is offering as a leader, was shown by the representative of the wholesale house in Chicago, Mr. G. Z. Allison. This line includes everything in can goods, packages and bottles, and it is one of the best high-grade lines manufactured. In fact Garner & Bean fare staking it against anything in the market. The large crowd was shown these goods to the greatest advantage. A number of articles were opened and tested, and the one comment was superb. The National Biscuit Co. was represented by Mr. Cooper, and Meyer Bros., coffee and teas, by Chas. Denham. Heinz was represented by Mr. House. Club House Teas was served and coffee by Mr. Denham, and Mr. Cooper distributed biscuits.

Messrs. Garner & Bean were highly pleased with the success of the demonstration and the day's work. They were successful in introducing to a large majority of the good ladies of Union City the Club House goods with the result that everybody was thoroughly pleased.

### The World Against Him.

This play was presented by a company of home talent under the auspices of the B. P. O. E. last Friday night to an appreciative audience at the opera house. It was a beautiful story in four acts under the personal direction of Fred J. Weisard.

The company cannot receive too much praise for the manner in which each part was delineated. Miss Ruth Crenshaw and Mr. Weisard deserve special mention. Miss Kathleen Watson as Mrs. Lee played her part as a professional. Miss Kate Morris as Sadie deserves much credit. Wallace Moffett and Corker Jackson were well up in their parts. Mr. Downing brought the villain's applause, the hisses, for his good work. John Sanders was a "detective" of the first quality. Miss Coble and the quartette rendered some very beautiful music. It was plain to see that Mr. Weisard and Miss Crenshaw were associated with a good supporting cast, and much praise altogether is deserved for the success of the play. The Elks are under obligations to the company for its splendid work, which has been commented upon as the best ever presented by home talent in the city.

### Singin' School Beginnith.

On Friday night, April 14, the ladies of the monument committee are going to give a companion play to the "Deestric Skule," that was such a sidesplitting entertainment.

The name of the one to be given now is the "Synginge Schoole Beginnith," and a good many of the rare characters in the "Deestric Skule" are taking part in this one, so those who enjoyed the "Deestric Skule" should not fail to see the "Synginge Schoole Beginnith."

Don't fail to see "Bobby O'Lea" (Mr. Embrey) act the Colonial 'Squire. Judge Lawson has always wanted to sing a solo, and the ladies are going to give him a chance to sing one in the "Synginge Schoole."

If you want a good old-fashioned laugh, you should be sure to go to see Mr. Hefley in knee breeches acting a raw country boy in the "Synginge Schoole."

Everyone who has seen Miss Vallie Feild act Mrs. Hazy in "Mrs. Wigg, of the Cabbage Patch" knows what she can do, so they will know what to expect from her in the "Synginge Schoole."

All of the town who remembers the "Little Tycoon" and "Rosita" will expect a treat from Mr. Sam Woesley and Mr. Jim Arm's parts in the "Synginge Schoole Beginnith."

Come and hear "Love Me," "Barbara Allen," and lots of the old-time songs and tunes, accompanied by black "Caesar's" fiddle, April 14.

### Piano Company Located.

The Matthews-Morris Piano Co. is the name of a new business institution located in Union City, on Washington avenue in the Peeler building. W. S. Matthews, the manager, and W. C. Morris, of the Gem Theatre, are conducting the business. An advance shipment of pianos has already been received and installed in the building. Mr. Matthews informs us that he will have a large stock of pianos of different makes and that he will have on exhibition a player piano also. Mr. Matthews says that this business is to be made a permanency in Union City. He feels that this is just as good a market as can be found and that the Matthews-Morris Piano Co. will be conducted along the lines of sound business principles with the expectation of making it one of the most popular concerns in Union City. We gladly welcome the new firm.

Quite a number of interesting discussions were heard on different topics. The physicians of the county are united in their efforts along the lines of advanced medical science, and are taking more interest in their organization to the end that good results may be obtained.

Motion was passed indorsing the measures before the Legislature regarding public health.

The next meeting will be held at Rives June 7.

### Lincoln McConnell.

Next Wednesday night, April 12, last attraction on lyceum course, Lincoln McConnell, will be presented. This is the finest lecturer the Review Club has ever succeeded in bringing to Union City. Lecture subjects: "The Blue Coat and the Red Flag," a lecture on lawlessness, its cause and cure; "The Worries of Uncle Sam;" "Colored Folks;" "Dead Lions;" "The Fountain of Youth;" "A Happy Home and How to Make It."

Of Mr. McConnell, the leading press comment is that he is an entertaining talker. He was educated for a lawyer, and spent the first years of his maturity in the courtroom, afterwards resigning this profession to enter the ministry. He shows the depth of a wide experience and couples it with a reasoning ability of high order. The steps of his address were interspersed with humorous stories and sketches, cleverly told. He is a large man with a strong face and an appealing personality, and his talk of last evening was so sincerely given as to be long remembered.

## NOTICE TO THE PUBLIC

In handling and selling the damaged stock of the Naylor Furniture Co, some people were under the impression that it was the Home Furniture Co. I want to say that the Home Furniture Co. had nothing whatever to do with the sale of the damaged stock, as it was my own personal business and not in any way connected with the Home Furniture Co. Neither was there any stock carried into the store of the Home Furniture Company.

I hope that this will correct the wrong impression that some people seem to have.

Thanking each and every one for their liberal patronage, I am,  
Very respectfully,

Whitesell Harpole

Manager Home Furniture Co.
