Goes Merrily On.
Work has been resumed on the High School Library building, the Palace Hotel and the bricklayers will soon be at work on the Walker-Nailling business house on the corner of Church and First. Workmen have been waiting for the delivery of material. The Canvas Decoy Co. warehouse is also under headway. This house will be used to store raincoat stock. Mr. Curlin informs us that as soon as preparations can be made for the manufacture of light coats more buildings will be needed. The factory is in full swing every day, and notwithstanding the dry weather orders are being received right along for the output. Mr. Wright Phebus' home is nearly completed. This home is at the corner of Third street and Florida avenue and is one of the attractive new ones, neat, spacious and comfortable and a nice addition to the locality.

Fourth in Union City.
The great Fourth of July celebration that was scheduled for yesterday at Union City was pulled off in great splendor, and was the greatest success of any ever held in that city. The parade was the banner feature of the day, there being a very large number of beautiful floats in the procession. The acrobatic acts and all the other attractions were up-to-date and enjoyable in every respect. First street and Washington avenue were lined with thousands of spectators and the greatest of all fireworks display was given. Balloon ascensions were given throughout the day. The celebration was a success in every way and was characteristic of Union City's way of doing everything.—Fulton Commercial. Let Herman E. Howard rubber-tire your go-carts and tricycles.

Good Roads Organization.
A meeting was held at the courthouse last Monday by the friends of the good roads movement for the purpose of organization, and in accordance therewith the Obion County Good Roads Association was organized with the election of the following officers: W. G. Reynolds, chairman; S. R. Bratton, secretary; T. W. Ferrall, treasurer. This organization is for the county at large and will co-operate with road committees of the various districts for the betterment of all roads. Take those wheels to Herman E. Howard for new tires.

A Little Old Trunk.
H. T. Haynes, of this city, has a little old leather bound trunk about ten inches in length, six inches wide and four inches deep. The trunk is a family heirloom, and belonged to Grief Coleman, Mr. Haynes' grandfather. The trunk was carried through the Revolutionary War. It is lined with some book leaves and the dates show the trunk to have been in existence in 1754. The trunk is well made and bound, with lock and key. Mr. Haynes treasures this keepsake as one of his valuable possessions.

CERTAIN RESULTS.
MANY A UNION CITY CITIZEN KNOWS HOW SURE THEY ARE.
Nothing uncertain about the work of Doan's Kidney Pills in Union City. There is plenty of positive proof of this in the testimony of citizens. Such evidence should convince the most skeptical doubter. Read the following statement:
H. T. Dunn, of 417 North Exchange street, says: "Doan's Kidney Pills have been of so much benefit to me that I gladly confirm all I said in their praise when I publicly recommended them some years ago. My back was in bad shape and I had pains in my kidneys. The kidney secretions were unnatural and passed too frequently. Soon after I began taking Doan's Kidney Pills my trouble was completely relieved.
For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.
