

Wreck Near Kenton.

A wreck was reported near Kenton Monday afternoon. Two freight cars were dinged, but no injury done to the train crew.

Family Reunion.

Dr. and Mrs. F. M. McRee, Mr. and Mrs. J. C. McRee, Dr. and Mrs. H. T. Butler, Mr. and Mrs. A. F. Titworth, Mr. and Mrs. Pink Marshall and Mrs. John Caldwell and children were members of a party who went to Woodland Mills Wednesday and attended a reunion of the McRee family. A large crowd was present and the entertainment extended until a late hour at night.

What Troy Is Doing.

C. P. Wilson, of Troy, was a business visitor in the city Tuesday. He reports the tent meeting attracting large crowds. The minister in charge preaches in the afternoon and his wife addresses the congregation at the evening service. He also reports the beginning of road work on the Brown lane near Ebenezer, a part of the proposed new road from Troy to the lake. This road is to be thirty feet in width and graded according to the Government engineers' standards.

Marriage Licenses.

Ivey Pearson and Emma Denwiddie. Leonard Cannon and Mamie Scott. H. M. Luttnell and Bettie S. Callahan. H. C. Pike and Pearl Young. Daniel W. Briggs and Christine Lutten. Colored. Dick Beals and Ella Turner.

Fine Peaches.

J. C. Preuett, one of the good citizens of Number Two, has a very fine peach crop this year, which is something rare this season in Obion County. He brought in some samples Tuesday and they were fine large, yellow, meaty, juicy sound peaches. He has sold to Dahmke's Cafe at \$1.50 per bushel.

Died at Troy.

Dr. J. W. Leonard, a rising young physician, for two years or more located at Troy, died at the home of his parents in Petersburg on Wednesday, the 26th inst., after an illness resulting from cancer of the liver. Dr. Leonard went to Nashville for treatment, but his affliction was fatal.

The young physician was located at Troy and was making splendid progress with his practice. He was esteemed generally as a physician and a citizen.

Revival at Mount Hermon.

Elder J. T. McKisick will begin a series of meetings at Mount Hermon church Sunday morning at 11 o'clock.

Bro. McKisick has been serving one of Nashville's largest churches for the past five years and is now corresponding secretary for the Tennessee Christian Missionary Society.

There will be some special music at each evening service. Following are some of the subjects that will be discussed during the meeting:

"First Things First," "Salvation," "The Way of Life Made Plain as Day," "What Must I Do to Be Saved," "Conversion," "Obedience Blessed," "The Healing of Haaman," "Prayer," "Sin and Its Cure," "Why Morality Will Not Save," "Things That Save." You are cordially invited to attend these services. E. C. MOZLEY.

Growth of Famous Resort.

J. C. Reynolds returned last Sunday from his summer home at Weaverville, N. C., leaving Mrs. Reynolds much improved and enjoying the luxury and the delights of the purest mountain air and arcadian scenery, together with Clarence, Charley Hill and Margaret. Mr. Reynolds says that the growth of Asheville, famous as a health resort and a social center, is just now enjoying the most remarkable development in its career. Celebrated for the zenith of climatic perfection and the rarest life-giving air tonics, which have attracted the wealthy classes and people of all stations in life for numbers of years, they are coming now from the European quarters and filling up the hotels and sanitariums as never known in the history of American health resorts. Mr. Reynolds says there are thirty-five trains a day, a train every thirty minutes arriving and leaving Asheville, and he exhibited a schedule of the trains in the Asheville Citizen. Numbers of people might be surprised at this statement, but it is true. The wonderful popularity of this place and its fame as a health resort is reaching all parts of the world, and the prospects now are that its future is full of great things.

Baseball.

The Kenton ball twirlers arrived Tuesday for a series of three games with the U. C. T. S. Invincibles. The game in the afternoon was slow, one-sided and uninteresting throughout, resulting in a victory for the locals, the figures displayed reading 10 to 2. The Kenton boys had overestimated their capacity and returned home Wednesday morning.

Manager Aydelott made arrangements for the Dyer Professionals to come and complete the advertised games. They arrived on time and opened Wednesday in a crisp, snappy, closely contested, enjoyable game, but were unable to land a verdict. Johnson and Smith were "right there." The visitors pounded Johnson pretty lively at times, but the support the boys gave him, excepting one instance, was perfect, an error allowing the only run scored by Dyer. The score: 3 and 1.

Those teams are evenly matched and always give the spectators a quarter's worth. They have played this season eight games, the U. C. T. S. taking five of the number. They finish the series this afternoon (Friday) at 4 o'clock.

Good Wheat.

One of the best wheat crops we have heard of this year was that of Mr. John Faulk on Dr. Nevil Farrior's land near the camp ground. The crop averaged thirty-one and a half bushels to the acre and tested 61 pounds to the bushel. This would be considered a nice crop any year, and it is one this year that will be hard to beat. We believe the Doctor and Mr. Faulk will get the blue ribbon with this crop.—Troy Press.

Mr. A. D. Midyett, who lives three miles northwest of Kenton, reports an average of thirty-four bushels of wheat per acre on 12 acres. This is the best yield so far reported in this section.—Kenton Herald.

Supper at Pleasant Valley.

The usual large crowd attended the supper at Pleasant Valley last Wednesday evening. The affair was under the supervision of Prof. and Mrs. Robey, who are personally interested in improving the schoolhouse property, for which the proceeds are to be used. The barbecue, as usual, was prepared by Mr. Gent Palmer and it was excellent, as it always is. These are annual affairs at Pleasant Valley, where some of the best people in the county reside. These good people have a fine school and they are interested in the progress of the school enough to keep it in the lead among the county schools.

Pianos for Sale at Cost.

I have taken over the Matthews-Morris Piano Co., and not being a piano man, have several fine new pianos for sale at the cost mark. I have too much other business to devote much time to the piano business, and these pianos have been moved to the Home Furniture Co.'s store, where they can be seen. Will sell them on terms to suit the purchaser. Also have all the latest music in stock, and this will be sold at 15 cents per copy, two for 25c. These pianos will be placed on approval, and sold fully guaranteed. All pianos are standard make, and now is the chance to buy a fine piano cheap, and on reasonable terms. W. C. MORRIS, Mgr. 19-2t

Old Maids Convention.

The Old Maids Convention will be given by the ladies of the Harris community for the benefit of the M. E. Church August 5, with a very interesting program, including cast and musical numbers. The date will be Saturday, August 5, and a large crowd is anticipated.

Ever Take the Pledge?

It was formerly customary for the habitual drinker to take the pledge regularly, sometimes once a year, and sometimes in every fit of remorse that followed his debauches, and then—Break it.

But now it is gradually dawning on the world that pledges do not stop drunkenness. The nervous system of the habitual drinker is diseased and he must have treatment that will cure his condition. If Orzine does not benefit after a trial, your money will be refunded.

ORZINE costs but \$1 a box. Call at our store and get a free booklet. We'll gladly tell you all about this meritorious remedy for the liquor habit. Oliver's Red Cross Drug Store.

Resolutions of Respect.

Resolutions of respect to the memory of Mrs. Sue Rickman.

On July 12, 1911, the pearly gates of Heaven stood ajar and the reaper, Death, appeared in our midst to claim the spirit of Mrs. Sue Rickman. Therefore, as members of Mt. Zion Missionary Society, we take this method of paying tribute to her memory.

Resolved, That although her absence from our midst brings sorrow and regret to us, there is comfort in knowing that her spirit has gone to the God who gave it and is at rest. Therefore, we bow in humble submission to His will, knowing that He doeth all things well.

Resolved, That we may so discharge our duties and live such Christian lives that when the summons comes it may be said of us as 'twas of her, "She was a woman full of good deeds."

Resolved, That a copy of these resolutions be recorded on our secretary's book, copies sent the city papers and a copy to the bereaved husband.

NEWS NOTES.

A review of the foreign trade of the United States during the last twelve months shows a steady increase in commerce with Canada and the Orient.

Mrs. John Singleton, sister of Lillian Graham, under indictment for the shooting of W. E. D. Stokes, notified the New York police that Miss Graham had been missing since Saturday night.

In a statement issued at Beverly, President Trft gave the Democrats in the House and Senate the credit for the passage of the Canadian reciprocity treaty agreement bill.
