AN ICEBERG in the

midst of the Sahara desert would be no greater phenomenon than a single cotton thread in our assortment of Michael Stern & Co.'s Clothes.

We could sell clothes that cost us less. But we couldn't build a good reputation that way.

We must sell you clothes that will wear, hold their shape, always look well. They must be made right, from absolutely all-wool fabrics.

We are receiving our Fall Suits daily. Let us show you before you buy.
