WEHMAN'S The Quality House Union City, Tenn.

To Delinquents.

All property owners who have not either settled in full or paid the cash payment for walks abutting their respective properties, as required by law, should call at the Recorder's office and make the settlement without delay.

This is not only important because the city needs the funds to finance the improvements, but because a failure to make the partial payments as provided by law matures the entire obligation and it will be incumbent upon the corporation to collect the obligations.

Yours truly,
J. A. COBLE, Mayor.

WISHED SHE COULD DIE

And Be Free From Her Troubles,
but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering, from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework."

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.

The Young Ladies Missionary Society of the Cumberland Church was pleasantly entertained by the Misses Littleton, of Main Street. The pretty home was arranged with cut flowers and other decorations for the affair, which marked the fourth anniversary of the society. A musical program was given, some of those who contributed towards it being Misses Ora Pace, Louise Adams and Marcella Davidson and Sam Burns. Games and contests were enjoyed, and a big frosted cake bearing four candles and containing a needle, a thimble and a wedding ring was sliced in turns by the young ladies. It was not reported to whom the three interesting and symbolic articles fell. Refreshments of salad, sandwiches and hot chocolate were served.

Fritzi Scheff Scheurer, the high kicker this season and last with the Union City Public School, playing half back, helped sail Union City's score, up to 15 against Martin's 6 in the football game at the latter town last Saturday and it was all so dead easy that it made Scheurer ill. He was carried off the gridiron in a Union City car, leaving the impression behind that he had been mortally wounded, but this was not true. Fritzi was all right as he always

His beautiful kick in the first part of the game that was a finale to one of the prettiest and swiftest plays ever made on local fields must have laid some of the Martians low with lost hope, though they played pluckily. Scheurer was reported better by the attending physician. Other good playing was by Zwingls, Lancaster and in fact the entire lineup.
