

## WOMAN WOULD NOT GIVE UP

Though Sick and Suffering; At Last Found Help in Lydia E. Pinkham's Vegetable Compound.

Richmond, Pa. — "When I started taking Lydia E. Pinkham's Vegetable Compound I was in a dreadfully rundown state of health, had internal troubles, and was so extremely nervous and prostrated that if I had given in to my feelings I would have been in bed. As it was I had hardly strength at times to be on my feet and what I did do was by a great effort. I could not sleep at night and of course felt very bad in the morning, and had a steady headache."

"After taking the second bottle I noticed that the headache was not so bad, I rested better, and my nerves were stronger. I continued its use until it made a new woman of me, and now I can hardly realize that I am able to do so much as I do. Whenever I know any woman in need of a good medicine I highly praise Lydia E. Pinkham's Vegetable Compound." — Mrs. FRANK CLARK, 3146 N. Tulip St., Richmond, Pa.

**Women Have Been Telling Women for forty years** how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast. If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It will pay you to do so. Lydia E. Pinkham Medicine Co., Lynn, Mass.

### The White Way Minstrels.

No doubt everyone has a pleasant remembrance of the White Way Minstrels last March, which was gotten up and produced for the benefit of the White Way. and up to this date there is a balance due the contractor for the installation of same, and the promoters of the show last year have agreed to produce equally as good, if not not a better, performance, guaranteed by the pure fun laws—to display plenty of action, beautiful scenic effects, latest music, songs and jokes, the date to be about March 24.

Most of the singers and fun makers of last year, ably assisted by a few new additions, will make up a most complete local talent minstrel performance. The advertising committee is making up a novel newspaper called the "White Way Booster," containing all the news, and then some, and the chief editor is arranging his business affairs so as to enable him to make a thorough canvas of the hang-outs, etc., and it is his intention to get a few columns under the head of "Long Shoots at the Local Bunch," and he no doubt will investigate all love affairs, etc., and this reporter is also a member of the Business Men's Club, the organization that does things, and if you don't want him to get you, just steer clear of him. This issue of the most novel newspaper ever published will make its appearance soon. Be sure that you get your copy—it's worth it.
