**Winter's Chills  
Breed Kidney Ills**

Chilly, damp, changing weather is hard on the kidneys. Even more irritating are colds, grip, pneumonia, tonsilitis, quinsy and other infections. The kidneys get congested and inflamed, and this causes backache and disordered kidney action. Though serious in its latter stages, kidney disease is not hard to conquer if a good kidney remedy is used when the first signs of kidney trouble are noticed.

The best recommended kidney remedy in the world is Doan's Kidney Pills. You hear it everywhere. Get a box.

**Spring is Breaking;  
Backs Are Aching**

Backache is often the first sign of some form of kidney disease that has been coming on for months. Look for the other signs;—lame back, sharp pains when stooping or lifting, dizzy spells, nervousness or despondency, with irregular, painful or distressing action of the kidneys; if these signs exist, decide that the kidneys need attention, ere the trouble turns to gravel, dropsy or Bright's disease.

Read this home testimony and then give Doan's Kidney Pills a trial.

| Mrs. W. H. Corum, 316 Florida street, Union City, says: "I had weak kindneys and the kidney secretions caused me a great deal of annoyance. Backache also bothered me. Doan's Kidney Pills gave me relief from these troubles and I have not had any cause for complaint since." | G. W. Hawkins, ex-deputy marshal, First and Palmer streets, Union City, says: "I suffered from lame and aching back and my kindneys were weak. I took several remedies but without much benefit until I used Doan's Kidney Pills. They removed the aches and pains and toned up my system. I cheerfully recommend this remedy to other kidney sufferers, knowing that it can be relied upon to correct kidney trouble." | Mrs. H. T. Duno, 417 E. Exchange street, Union City, says: "I often felt dizzy and nervous and my back and head ached badly. In the morning when I got up, I was all tired out and I knew that my kindneys were out of order. The results of the use of Doan's Kidney Pills were highly satisfactory. This remedy relieved me almost at once and gradually the trouble left until I was well. My experience has been so satisfactory that I recommend Doan's Kidney Pills to anyone having trouble from disordered kindneys." | T. L. Lancaster, deputy circuit court clerk, Union City, says: "When I used Doan's Kidney Pills some time ago, they gave me relief from kidney trouble and I publicly recommend them. I feel justified in confirming that statement." | Mrs. E. M. Duncan, Todd and N. Home streets, says: "For years I was bothered by pains in my kindneys and bladder and I was also annoyed by the kidney secretions. My back ached and I knew that I needed a kidney medicine. When I heard about Doan's Kidney Pills, I made up my mind to give them a trial and got a supply. They soon made me well and since then I have told other people of them." | J. M. Cole, 681 S. Fifth street, says: "My back was extremely lame and often I had pains through my kindneys. The kidney secretions passed irregularly and looked unnatural. Hearing about Doan's Kidney Pills, I used them and in a short time they brought me relief. I am certainly in a position to say that this remedy acts as represented." |
